**Virtuous Woman** Clifford Chaukura, 2015-12-15 What constitutes a virtuous woman How does one find virtue and over what period of time This book contains insightful chapters emphasising this attribute of virtue which every woman should seek more than anything else in life While there are many books on the market with countless suggestions on how to be a virtuous person this book stands apart in showing proven pathways of virtue which many successful women trod through without any regrets It is my hope that those who go through the pages of this book with a heart filled with earnest zeal to be a virtuous woman will definitely receive rich rewards in that regard The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6:4-8 and Isaiah 54:13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner The Gospel of Climate Skepticism Robin Globus Veldman, 2019-10-22 Why are white evangelicals the most skeptical major religious group

in America regarding climate change Previous scholarship has pointed to cognitive factors such as conservative politics anti science attitudes aversion to big government and theology Drawing on qualitative fieldwork *The Gospel of Climate Skepticism* reveals the extent to which climate skepticism and anti environmentalism have in fact become embedded in the social world of many conservative evangelicals Rejecting the common assumption that evangelicals skepticism is simply a side effect of political or theological conservatism the book further shows that between 2006 and 2015 leaders and pundits associated with the Christian Right widely promoted skepticism as the biblical position on climate change *The Gospel of Climate Skepticism* offers a compelling portrait of how during a critical period of recent history political and religious interests intersected to prevent evangelicals from offering a unified voice in support of legislative action to address climate change

**MURDER IN PARADISE Expanded edition** Nic Samojluk,2015-09-02 A call directed at the leaders of the United States and the leaders of the Adventist Church to repent of the abominable sin of abortion that has destroyed the lives of nearly sixty millions innocent unborn children a call to repentance and reformation before it is too late and the predicted plagues begin to fall on this nation and the Remnant church that has been profiting from the destruction of human life since 1970

*El desarrollo de la doctrina de la Trinidad en la iglesia adventista* Walter Erwin Steger,2025-04-22 Muchos se sorprenden al enterarse de que los pioneros de la Iglesia Adventista del S ptimo D a en su mayor a rechazaron la doctrina de la Trinidad durante las primeras d cadas de la historia de la denominaci n Otros consideran que ese es argumento suficiente para rechazar la doctrina de la Trinidad hoy tambi n Sin embargo es importante preguntar por qu no cre an los pioneros en la Trinidad y qu aspectos puntuales de esa doctrina rechazaban Y m s importante a n c mo y por qu se introdujo la doctrina de la Trinidad en el seno de la Iglesia Este libro intenta responder estas preguntas a trav s de un rastreo y an lisis de las declaraciones antitrinitarias y trinitarias en la literatura adventista entre 1844 y 1946 demostrando el desarrollo progresivo de la doctrina de la Trinidad en la Iglesia adventista y las razones para su rechazo inicial y posterior aceptaci n Se analiza tambi n el papel de Ellen G White en ese desarrollo doctrinal y algunas posibles explicaciones para el lento proceso de aceptaci n de la doctrina de la Trinidad
