that bites an infective forest animal and ingests blood filled with invisible parasites which it carries and transmits into cattle and people as it bites them leading to a human animal trypanosomiasis and sleeping sickness In *The Mobile Workshop* Clapperton Chakanetsa Mavhunga examines how the presence of the tsetse fly turned the forests of Zimbabwe and southern Africa into an open laboratory where African knowledge formed the basis of colonial tsetse control policies He traces the pestiferous work that an indefatigable mobile insect does through its movements and the work done by humans to control it Mavhunga's account restores the central role not just of African labor but of African intellect in the production of knowledge about the tsetse fly He describes how European colonizers built on and beyond this knowledge toward destructive and toxic methods including cutting down entire forests forced prophylactic resettlement massive destruction of wild animals and extensive spraying of organochlorine pesticides Throughout Mavhunga uses African terms to describe the African experience taking vernacular concepts as starting points in writing a narrative of *ruviro* knowledge rather than viewing Africa through foreign keywords The tsetse fly became a site of knowledge production a mobile workshop of pestilence *Sivan Nagran* Mahtama Sidrak, 2017-01-16 The Book explains briefly the way the writer took to get to the Arabian Gulf waters of Yemen starting from long distance heart of Ethiopia After that He talks of his childhood villages on the way to Madot and then to the port city of Bosaso It is difficult to track how many days the writer spent 71 hours with work on the Sahara Desert without food and water before crossing the Gulf of Aden In those circumstances days and nights lack meanings One hardly tells what day of the week is any given day All that matters is getting there at all cost However the most dangerous trip was the 41 hours perilous journey on the water of Arabian Gulf people are crammed into a rickety boat made for a dozen people Some of the stories told in this fateful journey are too gruesome to mention Suffice to say it is a life and death situation The harsh circumstances however hardly deter refugees from getting to their destination **Leo** Deon Meyer, 2025-02-18 Deon Meyer is one of the unsung masters Michael Connelly Deon Meyer's name on the cover is a guarantee of crime writing at its best Tess Gerritsen In a corrupt South Africa the criminals are as likely to be in government or even in the police as on the streets Two decorated detectives must put their careers on the line to find the link between three seemingly unrelated homicides in the latest thriller in the 1 internationally bestselling series Detectives Benny Griessel and Vaughn Cupido are languishing in Stellenbosch Run of the mill police work in the leafy university town is a far cry from their previous life in Cape Town fighting crime and government corruption at the highest level Then a student is found dead on a mountain trail and the key suspect a local businessman is found murdered in what looks like a professional hit delivering a message suffocated by fast action filler foam sprayed down his throat On the other side of the country a beautiful wildlife guide is recruited by a group of special forces soldiers to act as a honeytrap part of a dangerous multi million dollar heist that goes tragically wrong A single link connects the murdered businessman to the special forces making Benny and Vaughn's case all the more mysterious Another former soldier is soon killed as is an agent of the country's disgraced former president and then the heist crew reorganizes

with an even more audacious theft in mind Following leads as they fly at them not sure exactly who to trust and struggling to connect the dots as the motives don't seem to add up Benny and Vaughn find their case increasingly points to the corruption polluting the country They know the clock is ticking and Benny also has to be at the altar on time for his anxiously anticipated wedding day *WALNECK'S CLASSIC CYCLE TRADER, DECEMBER 2001* Causey Enterprises, LLC, **A Daunting Journey** Kiereini, Jeremiah Gitau, 2015-09-04 He is described as a Mau Mau oath taker seemingly of two minds both for and against loyal and disloyal In *A Daunting Journey* Jeremiah Gitau Kiereini lets us into his life spanning three generations He reveals insights into the influences and intrigues surrounding the early civil service and the powerful individuals who held Kenya's future in their hands Kiereini also exposes the dichotomy that irreconcilably split the communities involved in the struggle for independence and the personal contradictions and challenges he encountered as he sought to find pride and loyalty in service to a newly independent Kenya This is truly a fascinating chronicle that takes us from the humble and difficult years of childhood through the Mau Mau years the Kenyatta administration the Moi regime and on to the present in the life of Jeremiah Kiereini Most captivating is the narrative on the infamous 1969 oath taking commonly referred to as Caai wa Gatundu and the 1982 coup **Daily Graphic** Ransford Tetteh, 2010-04-22
