

nmra BULLETIN

December, 1954

(7th Registered)

21st Year—No. 4

New Editor Takes Up Duties

JANUARY ISSUE TO MARK KIN SALMON'S DEBUT

An NMRA member with a solid background as both a model railroader and a newspaperman will take over the editorship of *THE BULLETIN*, effective with the January issue.

He signs his checks Thomas K. Salmon, but answers to the less formal tag of "Kin."

He was born a New Yorker — in Bayside — and is still, by choice, a New Yorker; he now lives in Yonkers.

Nylon Version Of HO Coupler In Production

Still another manufacturer has swung over to production of the NMRA-developed HO gauge automatic coupler.

The Rail Line Company, Box 126, Independence, Mo., announces that by Jan. 15 it expects to have the coupler available in stock. The price will be 15 cents a pair, or 50 cents with draft gear.

The couplers will be sold through hobby shops and/or the convenience of those who aren't near hobby shops that stock the new coupler—by direct mail.

With Kestron and Model Die Casting already in the field, there is now a choice of three different materials for the same coupler, says Paul Mallory, former secretary of the coupler committee, who sent the information along to *THE BULLETIN*.

This marks the first time in HO that interchangeable automatic couplers have been available from three manufacturers.

Final call is "a good start toward ending the culture of confusion in HO couplers."

But in the intervening 54 years he's managed to cover a lot of territory.

After graduation from the Loomis School at Windsor, Conn., and Cornell University at Ithaca, N. Y., Kin served in 1924 and 1925 as vice-mast at Cologne, Germany.

It wasn't long after that that Kin set-
tled down—at that's the word—to newspaper work. He's been a reporter in New York City and a foreign correspondent in Rome, Italy. He's been a political columnist and special writer for the *Harvard* (Vt.) *Alfred* and he was editor and founder of the *Brookville* (N. Y.) *Express*. And since 1942 he's been news editor of the *Yonkers Alfred-Sunbeam*.

Kin's first contact with railroading came close to being his last. It happened in 1905 at Willard, N. Y., when he strayed into the path of an Erie Atlantic and was rescued in the nick of time by the family St. Bernard. (Kin neglects to say whether the faithful dog was wearing the standard collar ornament that's associated with St. Bernards.)

During his school years at Loomis, he managed to get in some prototype experience by shoveling coal in the fire box of a New Haven 10-wheel, a puffler freight that spent a couple of hours coasting at Windsor three times a week.

Kin is a charter member of the Yonkers Model Railroad Club and has served as its president for the last four years. He joined NMRA and the Northeastern Region in 1948. At present he's director and secretary of the Metropolitan Division (New York) of the NER, and is also a director of NER.

Kin and his wife, Elizabeth, who were married in 1916, have two children—Ann, who is married, and Peter, who's attending Middlebury College. Both of them like model railroading, says Kin.

—T. H.

Data Sheets Due On Earth, Rocks

Now in preparation is a new series of Data Sheets covering the subject of "Earth and Rocks," reports Ed Barrows, chairman of the Data Sheets Committee.

The series is being compiled by a special committee headed by James Seftis of Berwyn, Ill.

"The first in this series of sheets will discuss in general the type of terrain through which railroads are built and should prove quite helpful to the model builder in the overall planning of his scenery," says Ed.

Later sheets in the series will be devoted to methods of modeling such terrain. Sheets will cover such subjects as the framework, covering material, and final finishing. It is planned to describe as many different ways of doing this job as possible, with careful evaluation being given to the final appearance, difficulty, cost, and flexibility of construction, as well as permanence of results.

Jim Seftis would like volunteers to help him do the job. Persons who have done or are experimenting with various types of terrain construction are invited to share their know-how with other members.

"There are a lot of us who have ideas on this basic part of scenery construction," says Ed.

Jim's address, by the way, is 6638 W. 25th St., Berwyn, Ill.

Four MWR Directors, New Officers Chosen

Directors for the Midwest Region's 1954-55 year were announced at the region's fall convention, held at Geneva, Ill.

There were four openings on the seven-man board, with a slate of eight nominees offered the membership. A. B. Bradley of Glenview, Ill., and Lloyd Nelson of Rockford, Ill., were re-elected to the board, while Herbert Kriss of Chicago and Robert Brown of Hinsdale, Ill., became new directors.

Carried over as directors were Marvin Dunning of Elgin, Ill., Roger Deuchering of Highland Park, Ill., and Robert Johnson of Chicago.

The new board, itself chosen by mail vote, elected Bradley president, Dunning vice-president and Kriss treasurer. Under a provision of the MWR constitution, the board chose an outsider, Frank Saville of Park Ridge, Ill., as secretary.

The meeting at Geneva, home of Elmer Tolsted and his famous O page layout, drew 190 members.

Nmra Bulletin December Official Publication National Model Railroad Association Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nmra Bulletin December Official Publication National Model Railroad Association PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This

convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nmra Bulletin December Official Publication National Model Railroad Association PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Nmra Bulletin December Official Publication National Model Railroad Association free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Nmra Bulletin December Official Publication National Model Railroad Association Books

What is a Nmra Bulletin December Official Publication National Model Railroad Association PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Nmra Bulletin December Official Publication National Model Railroad Association PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Nmra Bulletin December Official Publication National Model Railroad Association PDF?** Editing a PDF can be done with

software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Nmra Bulletin December Official Publication National Model Railroad Association PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Nmra Bulletin December Official Publication National Model Railroad Association PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
