No Bone About It Maddie Sutton, 2021-09-14 It's a Bone stravananza at the Scott Vineyard A recent discovery of fossils right before a wine festival held at the local vineyard has everyone's tail wagging Digging up these bones is a big boon for business until the owner is found murdered and it lands everyone in bad dog territory Nothing smells right about the investigation Chief

Reed is forced to cede jurisdiction to a sketchy sheriff who has Naomi's hackles up at every turn and when Naomi's friend the owner's daughter is dragged in for questioning during the wake Naomi knows she has some digging of her own to do. With the deceased owner's will missing and the fate of the vineyard at stake can Naomi get to the bottom of the murder or will her investigation end up buried along with the victim. The third book in the southern small town Naomi Winston Mystery series *No Bone About It* contains no adult situations or gore only fun and high jinks as the heroine solves mysteries and chases behind her perpetually confused endearingly curious and continuously chatty Chihuahua. This story has a light paranormal element.

No Bones About It P Bodi, 2016-07-15 This book is a clean cozy mystery short story that does not contain any foul language sexual situations witches or paranormal events. Circumstances from a recent murder in Smithton left Leah with a newly adopted dog of her very own. The following weekend there was a local fishing tournament being held at a nearby lake. The weather was so nice she decided to take her new dog Baby out for a walk near the lake. Leah stopped for just a second to take in the fresh air and scenery when suddenly she slipped and fell into the water. As a result of the fall she lost her grip on Baby's leash allowing the dog to quickly escape into the nearby woods. When Leah finds her dog Baby is it possible that she may also find a dead body. A fun and playful cozy mystery. *No Bones About It* is the second Book in the Pet Palace Cozy Mystery Series.
