verse His first published story *Boule de Suif* Ball of Fat is often considered his masterpiece This carefully crafted ebook *Ball of Fat Boule de Suif The Classic Unabridged English Edition* is formatted *Woman and Socialism (English Edition)* August Bebel, 2014-11-12 Example in this ebook We are living in an age of great social transformations that are steadily progressing In all strata of society we perceive an unsettled state of mind and an increasing restlessness denoting a marked tendency toward profound and radical changes Many questions have arisen and are being discussed with growing interest in ever widening circles One of the most important of these questions and one that is constantly coming into greater prominence is the woman question The woman question deals with the position that woman should hold in our social organism and seeks to determine how she can best develop her powers and her abilities in order to become a useful member of human society endowed with equal rights and serving society according to her best capacity From our point of view this question coincides with that other question In what manner should society be organized to abolish oppression exploitation misery and need and to bring about the physical and mental welfare of individuals and of society as a whole To us then the woman question is only one phase of the general social question that at present occupies all intelligent minds its final solution can only be attained by removing social extremes and the evils which are a result of such extremes Nevertheless the woman question demands our special consideration What the position of woman has been in ancient society what her position is to day and what it will be in the coming social order are questions that deeply concern at least one half of humanity Indeed in Europe they concern a majority of organized society because women constitute a majority of the population Moreover the prevailing conceptions concerning the development of woman s social position during successive stages of history are so faulty that enlightenment on this subject has become a necessity Ignorance concerning the position of woman chiefly accounts for the prejudice that the woman s movement has to contend with among all classes of people by no means least among the women themselves Many even venture to assert that there is no woman question at all since woman s position has always been the same and will remain the same in the future because nature has destined her to be a wife and a mother and to confine her activities to the home Everything that is beyond the four narrow walls of her home and is not closely connected with her domestic duties is not supposed to concern her In the woman question then we find two contending parties just as in the labor question which relates to the position of the workingman in human society Those who wish to maintain everything as it is are quick to relegate woman to her so called natural profession believing that they have thereby settled the whole matter They do not recognize that millions of women are not placed in a position enabling them to fulfill their natural function of wifehood and motherhood owing to reasons that we shall discuss at length later on They furthermore do not recognize that to millions of other women their natural profession is a failure because to them marriage has become a yoke and a condition of slavery and they are obliged to drag on their lives in misery and despair To be continue in this ebook Witch Hunt Richmond West, 2009-02-24 Passionate and provocative this novel faces the issue of our society s sexual McCarthyism head on

**The Fox and Dr. Shimamura** Christine Wunnicke,2019-04-30 A delicious mix of East and West of wonder and irony The Fox and Dr Shimamura is a most curious novel Winner of the 2020 Helen and Kurt Wolff Translation Prize The Fox and Dr Shimamura toothsomely encompasses East and West memory and reality fox possession myths and psychiatric mythmaking As an outstanding young Japanese medical student at the end of the nineteenth century Dr Shimamura is sent to his dismay to the provinces he is asked to cure scores of young women afflicted by an epidemic of fox possession Believing it s all a hoax he considers the assignment an insulting joke until he sees a fox moving under the skin of a young beauty Next he travels to Europe and works with such luminaries as Charcot Breuer and Freud whose methods Dr Shimamura concludes are

incompatible with Japanese politeness The ironic parallels between Charcot s theories of female hysteria and ancient Japanese fox myths when it comes to beautiful writhing young women are handled with a lightly sardonic touch by Christine Wunnicke whose flavor packed inventive language is a delight     Frederic Bastiat George Roche,2011-07-22     The Freeman ,1921     Travel ,1918
