Bodies of Evidence Nan Alamilla Boyd, Horacio N. Roque Ramirez, 2012-02-26 Bodies of Evidence The Practice of Queer Oral History is the first book to provide serious scholarly insight into the methodological practices that shape lesbian gay bisexual transgender and queer oral histories Each chapter pairs an oral history excerpt with an essay in which the oral historian addresses his or her methods and practices With an afterword by John D Emilio this collection enables readers to examine the role memory desire sexuality and gender play in documenting LGBTQ communities and cultures The historical themes addressed include 1950s and 60s lesbian bar culture social life after the Cuban revolution the organization of transvestite social clubs in the U S midwest in the 1960s Australian gay liberation activism in the 1970s San Francisco electoral politics and the career of Harvey Milk Asian American community organizing in pre AIDS Los Angeles lesbian feminist sex war cultural politics 1980s and 90s Latina o transgender community memory and activism in San Francisco and the war in Iraq and Afghanistan The methodological themes include questions of silence sexual self disclosure and voyeurism the intimacy between researcher and narrator and the social and political commitments negotiated through multiple oral history interviews The book also examines the production of comparative racial and sexual identities and the relative strengths of same sexuality cross sexuality and cross ideology interviewing

America's New Vaccine Wars Mark C. Navin, Katie Attwell, 2023 This book traces the history politics and ethics of mandatory childhood vaccination policy in America with close attention to recent legislative changes in California California was the first US state to ban unvaccinated children from school in response to parents refusing vaccines The new policy kick started immunization rates but also ignited polarizing debates about whether government should restrict people s liberty to promote public health Other US states and other countries are watching California carefully should they follow in its footsteps Using original interviews with politicians activists technical experts and civil society organization representatives Mark C Navin and Katie Attwell unpack the causes and consequences of cracking down on vaccine refusal in contemporary America

Blackness and Sexualities Michelle M. Wright, Antje Schuhmann, 2007 With contributions from leading scholars from various disciplines this title offers analyses and critiques that span three continents and looks at topics such as the secret marketing of black female pornography to white American men and the eroticization of colonial legacies in contemporary German media

Race Mixing Suzanne W. Jones, 2006-02-15 In the southern United States there remains a deep need among both black and white writers to examine the topic of race relations whether they grew up during segregation or belong to the younger generation that graduated from integrated schools In Race Mixing Suzanne Jones offers insightful and provocative readings of contemporary novels the work of a wide range of writers black and white established and emerging Their stories explore the possibilities of cross racial friendships examine the repressed history of interracial love reimagine the Civil Rights era through children s eyes herald the reemergence of the racially mixed character investigate acts of racial violence and interrogate both rural and urban racial

dynamics Employing a dynamic model of the relationship between text and context Jones shows how more than thirty relevant writers including Madison Smartt Bell Larry Brown Bebe Moore Campbell Thulani Davis Ellen Douglas Ernest Gaines Josephine Humphreys Randall Kenan Reynolds Price Alice Walker and Tom Wolfe illuminate the complexities of the color line and the problems in defining racial identity today While an earlier generation of black and white southern writers challenged the mythic unity of southern communities in order to lay bare racial divisions Jones finds in the novels of contemporary writers a challenge to the mythic sameness within racial communities and a broader definition of community and identity Closely reading these stories about race in America *Race Mixing* ultimately points to new ways of thinking about race relations We need these fictions Jones writes to help us imagine our way out of the social structures and mind sets that mythologize the past fragment individuals prejudice people and divide communities

Short Stories of the Civil Rights Movement Margaret Earley Whitt, 2006 During the civil rights era masses of

people marched in the streets boycotted stores and registered to vote Others challenged racism in ways more solitary but no less life changing These twenty three stories give a voice to the nameless ordinary citizens without whom the movement would have failed From bloody melees at public lunch counters to anxious musings at the family dinner table the diverse experiences depicted in this anthology make the civil rights movement as real and immediate as the best histories and memoirs Each story focuses on a particular sometimes private moment in the historic struggle for social justice in America Events have a permanent effect on characters like the white girl in *Spring Is Now* who must sort through her feelings about the only black boy in her school or the black preacher in *The Convert* who tells a friend This thing of being a man The Supreme Court can't make you a man The NAACP can't do it God Almighty can do a lot but even He can't do it Ain't nobody can do it but you If a character survives and some do not the event can become a turning point a vision for a better world The sections into which the stories are grouped parallel the news headlines of the day School Desegregation 1954 on Sit ins 1960 on Marches and Demonstrations 1963 on and Acts of Violence In the last section Retrospective characters look back on their personal involvement with the movement Twenty writers eleven black and nine white are represented in the collection Ten stories were written during the 1960s That the others were written long after the movement's heyday suggests the potency of that time as a continuing source of creative inspiration

Identity Politics on the Israeli Screen Yosefa

Loshitzky, 2010-01-01 2002 A Choice Outstanding Academic Book The struggle to forge a collective national identity at the expense of competing plural identities has preoccupied Israeli society since the founding of the state of Israel In this book Yosefa Loshitzky explores how major Israeli films of the 1980s and 1990s have contributed significantly to the process of identity formation by reflecting projecting and constructing debates around Israeli national identity Loshitzky focuses on three major foundational sites of the struggle over Israeli identity the Holocaust the question of the Orient and the so called in an ironic historical twist of the Jewish question Palestinian question The films she discusses raise fundamental questions about the identity of Jewish Holocaust survivors and their children the second generation Jewish immigrants from Muslim countries or Mizrahim particularly the second generation of Israeli Mizrahim and Palestinians Recognizing that victimhood marks all the identities represented in the films under discussion Loshitzky does not treat each identity group as a separate and coherent entity but rather attempts to see the conflation interplay and conflict among them
