No Time Like the Present Nadine Gordimer, 2012-03-27 A sharply observed new novel about post apartheid South Africa from the Nobel Prize winner Nadine Gordimer is one of our most telling contemporary writers With each new work she attacks with a clear eyed fierceness a lack of sentimentality and a deep understanding of the darkest depths of the human soul her eternal themes the inextricable link between personal and communal history the inescapable moral ambiguities of daily life the political and racial tensions that persist in her homeland South Africa And in each new work is fresh evidence of her literary genius in the sharpness of her psychological insights the stark beauty of her language the complexity of her characters and the difficult choices with which they are faced In *No Time Like the Present* Gordimer trains her keen eye on Steve and Jabulile an interracial couple living in a newly tentatively free South Africa They have a daughter Sindiswa they move to the suburbs Steve becomes a lecturer at a university Jabulile trains to become a lawyer there is another child a boy this time There is nothing so extraordinary about their lives and yet in telling their story and the stories of their friends and families Gordimer manages to capture the tortured fragmented essence of a nation struggling to define itself post apartheid The subject is contemporary but Gordimer's treatment is as ever timeless In *No Time Like the Present* she shows herself once again a master novelist at the height of her prodigious powers

Like The Present Debbie McGowan, 2012-11-16 Sometimes a murder mystery is the least of life's challenges. This sequel to *Hiding Behind The Couch* finds Josh and The Circle fighting to prove the innocence of one James Brown, a well-liked and respected MD of a pizza restaurant chain. But his past is far from helpful in freeing him of suspicion and Eleanor is all set to call it a day. It's the perfect time to make new friends, make amends, and solve a murder case, a beautiful tapestry which is a story encompassing so many lives and their interconnections. I wanted more, just so I could find out what the future held for my newfound friends. All I can hope is for the possibility that Debbie McGowan might like to make this into a trilogy or even a series that I can keep indulging in for either the rest of my own or the characters' lives. NOTE contains *Hiding Behind The Couch* plot spoilers; it is therefore recommended that these novels are read in order. No Time Like The Present is season two in the *Hiding Behind The Couch* series. The story follows chronologically from *Hiding Behind The Couch* Season One and continues in *The Harder They Fall* Season Three.
