Nys Parole Officer Trainee Study Guide 2015:

Prisoner Reentry in the 21st Century Keesha M. Middlemass, Calvin John Smiley, 2019-11-04 This groundbreaking edited volume evaluates prisoner reentry using a critical approach to demonstrate how the many issues surrounding reentry do not merely intersect but are in fact reinforcing and interdependent The number of former incarcerated persons with a felony conviction living in the United States has grown significantly in the last decade reaching into the millions When men and women are released from prison their journey encompasses a range of challenges that are unique to each individual including physical and mental illnesses substance abuse gender identity complicated family dynamics the denial of rights and the inability to voice their experiences about returning home Although scholars focus on the obstacles former prisoners encounter and how to reduce recidivism rates the main challenge of prisoner reentry is how multiple interdependent issues overlap in complex ways By examining prisoner reentry from various critical perspectives this volume depicts how the carceral continuum from incarceration to reentry negatively impacts individuals families and communities how the criminal justice system extends different forms of social control that break social networks and how the shifting nature of prisoner reentry has created new and complicated obstacles to those affected by the criminal justice system This volume explores these realities with respect to a range of social community political and policy issues that former incarcerated persons must navigate to successfully reenter society A springboard for future critical research and policy discussions this book will be of interest to U S and international researchers and practitioners interested in the topic of prisoner reentry as well as graduate and upper level undergraduate students concerned with contemporary issues in corrections community based corrections critical issues in criminal justice criminal justice policies and reentry

Crisis William Edward Burghardt Du Bois, 1969 A record of the darker races

Case Studies in Corrections Bradley D. Edwards, Michael Braswell, Larry Miller, 2018-06-28 Case Studies in Corrections invites the reader to analyze hypothetical situations confronted by judges probation officers inmates correctional officers counselors clerics and

administrators Concise but thorough introductions to each section provide background for assessing the scenarios Thought provoking questions stimulate reflection about possible courses of action and the potential consequences of choices made The Sixth Edition encourages an interactive approach whether rethinking effective punishment analyzing the role of the community in corrections or addressing ethical and legal issues *Handbook on the Consequences of Sentencing and Punishment Decisions* Beth M. Huebner, Natasha A. Frost, 2018-08-06 Handbook on the Consequences of Sentencing and Punishment Decisions the third volume in the Routledge ASC Division on Corrections Sentencing Series includes contemporary essays on the consequences of punishment during an era of mass incarceration The Handbook Series offers state of the art volumes on seminal and topical issues that span the fields of sentencing and corrections In that spirit the editors gathered contributions that summarize what is known in each topical area and also identify emerging theoretical empirical and policy work The book is grounded in the current knowledge about the specific topics but also includes new synthesizing material that reflects the knowledge of the leading minds in the field Following an editors introduction the volume is divided into four sections First two contributions situate and contextualize the volume by providing insight into the growth of mass punishment over the past three decades and an overview of the broad consequences of punishment decisions The overviews are then followed by a section exploring the broader societal impacts of punishment on housing employment family relationships and health and well being The third section centers on special populations and examines the unique effects of punishment for juveniles immigrants and individuals convicted of sexual or drug related offenses The fourth section focuses on institutional implications with contributions on jails community corrections and institutional corrections

Corrections Mary K. Stohr, Anthony Walsh, 2021-01-10 Written by former practitioners who are experts in the field Corrections The Essentials Fourth Edition addresses the most important topics in corrections in a brief yet comprehensive format Authors Mary K Stohr and Anthony Walsh introduce students to the history and development of correctional institutions while offering a unique perspective on ethics and special populations The Fourth Edition provides insights into the future of corrections as well as updated coverage of the most important issues impacting the field today This title is accompanied by a complete teaching and learning package *Handbook on Moving Corrections and Sentencing Forward* Pamela K. Lattimore, Beth M. Huebner, Faye S. Taxman, 2020-11-10 This volume addresses major issues and research in corrections and sentencing with the goal of using previous research and findings as a platform for recommendations about future research evaluation and policy The last several decades witnessed major policy changes in sentencing and corrections in the United States as well as considerable research to identify the most effective strategies for addressing criminal behavior These efforts included changes in sentencing that eliminated parole and imposed draconian sentences for violent and drug crimes The federal government followed by most states implemented sentencing guidelines that greatly reduced the discretion of the courts to impose sentences The results were a multifold increase in the numbers of individuals in jails

and prisons and on community supervision increases that have only recently crested There were also efforts to engage prosecutors and the courts in diversion and oversight including the development of prosecutorial diversion programs as well as a variety of specialty courts Penal reform has included efforts to understand the transitions from prison to the community including federal led efforts focused on reentry programming Community corrections reforms have ranged from increased surveillance through drug testing electronic monitoring and in some cases judicial oversight to rehabilitative efforts driven by risk and needs assessment More recently the focus has included pretrial reform to reduce the number of people held in jail pending trial efforts that have brought attention to the use of bail and its disproportionate impact on people of color and the poor This collection of chapters from leading researchers addresses a wide array of the latest research in the field A unique approach featuring responses to the original essays by active researchers spurs discussion and provides a foundation for developing directions for future research and policymaking Juvenile Justice John T. Whitehead, Steven P.

Lab, 2018-07-11 Juvenile Justice An Introduction Ninth Edition presents a comprehensive picture of juvenile offending delinquency theories and the ways juvenile justice actors and agencies react to delinquency Whitehead and Lab offer evidence based suggestions for successful interventions and treatment and examine the prospects for rebalancing the model of juvenile court This new edition includes insightful analysis and the latest available statistics on juvenile crime and victimization drug use court processing and corrections Recent developments include the possible influence of biosocial factors on delinquency use of social media both for recruiting gang members and for combatting gangs new probation models responses to cyberbullying the renewed emphasis on status offenses the implications of drug legalization police shootings and specialty courts for teens and those with mental illness Chapter 12 has been recast to cover specific information on prevention programs in addition to restorative justice approaches Each chapter enhances student understanding with Key Terms a What You Need to Know section and Discussion Questions Links at key points in the text show students where to get the latest information **Understanding and Reducing Prison Violence** Benjamin

Steiner, John Wooldredge, 2019-12-06 Understanding and Reducing Prison Violence considers both the individual and prison characteristics associated with violence perpetration and violent victimization among both prison inmates and staff Prison violence is not a random process rates of violence vary across prisons and the odds of perpetrating violence or experiencing violent victimization vary across inmates and staff A comprehensive understanding of the causes of prison violence therefore requires consideration of both individual and prison characteristics Building on large dataset comprising 5 500 inmates and 1 800 officers across 45 prisons located across two of the United States Ohio and Kentucky this book showcases one of the largest and most comprehensive studies of prisons carried out to date It considers both the implications of the study for theories of prison violence and the implications of the study for preventing violence in prisons It will be of interest to academics practitioners and policy makers alike **Criminal Justice Ethics** Cyndi Banks, 2018-12-31 Criminal Justice

Ethics examines the criminal justice system through an ethical lens by identifying ethical issues in practice and theory exploring ethical dilemmas and offering suggestions for resolving ethical issues and dilemmas faced by criminal justice professionals Bestselling author Cyndi Banks draws readers into a unique discussion of ethical issues by first exploring moral dilemmas faced by professionals in the criminal justice system and then examining the major theoretical foundations of ethics This distinct and unique organization allows readers to understand real life ethical issues before grappling with philosophical approaches to the resolution of these issues
