**To Stand with Palestine** Karam Dana, 2025-02-04. In recent years, attitudes in the United States toward the Palestinian cause have shifted dramatically. Although Palestinians have long been demonized in U.S. media and politics, their struggle portrayed as illegitimate, emergent progressive voices increasingly challenge the status quo on Israel and Palestine and express solidarity with Palestinian resistance. What accounts for this change and its evolution? This book provides a new lens on activism around Palestinian issues, demonstrating how the global Palestinian diaspora has driven transnational political movements. Karam Dana explores the ways that exile has shaped Palestinian identity and allowed for new forms of global activism. He examines the social, political, economic, and technological forces that have created space for Palestinian voices to be heard by wider audiences worldwide. Drawing on interviews with scholars and advocates, including members of the Palestinian diaspora and Jewish American activists, as well as public opinion data and media analysis, Dana traces how global Palestinian communities have influenced American views. He addresses the backlash against pro-Palestinian advocacy but argues that solidarity with Palestinians, both in the United States and globally, will continue to strengthen. Timely and insightful, *To Stand with Palestine* offers an inside look at how Palestinians have shared their story with the world and why sympathy for their plight is growing, with significant implications for the global political landscape.

**Contending with Antisemitism in a Rapidly Changing Political Climate** Alvin H. Rosenfeld, 2021-11-02. Today's highly fraught historical moment brings a resurgence of antisemitism. Antisemitic incidents of all kinds are on the rise across the world, including hate speech, the spread of neo-Nazi graffiti, and other forms of verbal and written threats, the defacement of synagogues and Jewish cemeteries, and acts of murderous terror. *Contending with Antisemitism in a Rapidly Changing Political Climate* is an edited collection of 18 essays that address antisemitism in its new and resurgent forms. Against a backdrop of concerning political developments, such as rising nationalism and illiberalism on the right, new forms of intolerance, and anti-liberal movements on the left, and militant deeds and demands by Islamic extremists, the contributors to this timely and necessary volume seek to better understand and effectively contend with today's antisemitism.
