Siswati Claudia W. Corum,1985 Papers in African Linguistics in Honor of Wm. E. Welmers Larry M. Hyman,Leon Carl Jacobson,Russell G. Schuh,1976 **Working Papers in Linguistics** Ohio State University. Department of Linguistics,1995 *Papers in Phonology* David R. Dowty,1996 Resources in Education ,1995 *Argument Licensing and Agreement* Claire Halpert,2016 The strikingly unrestricted syntactic distribution of nouns in many Bantu languages often leads to proposals that syntactic case does not play an active role in the grammar of Bantu This book offers a different conclusion that the basis of Zulu that Bantu languages have not only a system of structural case but also a complex system of morphological case that is comparable to systems found in languages like Icelandic By comparing the system of argument licensing found in Zulu to those found in more familiar languages Halpert introduces a number of insights onto the organization of the grammar First while this book argues in favor of a case licensing analysis of Zulu it locates the positions where case is assigned lower in the clause than what is found in nominative accusative languages In addition Zulu shows evidence that case and agreement are two distinct operations in the language located on different heads and operating independently of each other Despite these unfamiliarities there is evidence that the timing relationships between operations mirror those found in other languages Second this book proposes a novel type of morphological case that serves to mask many structural licensing effects in Zulu the effects of this case are unfamiliar Halpert argues that its existence is expected given the current typological picture of case Finally this book explores the consequences of case and agreement as dissociated operations showing that given this situation other unusual properties of Bantu languages such as hyper raising are a natural result This exploration yields the conclusion that some of the more unusual properties of Bantu languages in fact result from small amounts of variation to deeply familiar syntactic principles such as case agreement and the EPP

Research in Education ,1971 **Language and Power in Post-Colonial Schooling** Carolyn McKinney,2016-07-15 Critiquing the positioning of children from non dominant groups as linguistically deficient this book aims to bridge the gap between theorizing of language in critical sociolinguistics and approaches to language in education Carolyn McKinney uses the lens of linguistic ideologies teachers and students beliefs about language to shed light on the continuing problem of reproduction of linguistic inequality Framed within global debates in sociolinguistics and applied linguistics she examines the case of historically white schools in South Africa a post colonial context where political power has shifted but where the power of whiteness continues to provide new insights into the complex relationships between language and power and language and subjectivity Implications for language curricula and policy in contexts of linguistic diversity are foregrounded Providing an accessible overview of the scholarly literature on language ideologies and language as social practice and resource in multilingual contexts *Language and Power in Post Colonial Schooling* uses the conceptual tools it presents to analyze classroom interaction and ethnographic observations from the day to day life in case study schools and explores
