

PATIENT INTERVIEW GUIDE

**Obtain pertinent demographic information (sometimes you already have this information from the chart) May not need to ask all of the information listed, especially if it is a quick interview*

INTRODUCTION

- Hello my name is _____; I'm a first year nursing student from SWU PHINMA
- I'm going to take a moment to wash my hands before I shake yours.
- I'm working with your doctor today and as a student I will be sharing all of your information with the doctor and s/he will work with you to plan your care.
- May I know "What is your name?" How old are you? (Must use formal address, ex. Ms. Smith , ask patient how she/he wants to be addressed).

CHIEF COMPLAINT

- What brings you here today today? Was there something else you wanted to speak with the doctor about today? (keep asking something else until answer is no)
- I'm going to start your evaluation by discussing your history (and performing PHYSICAL EXAM /HEALTH ASSESSMENT)

SOFTEN (nonverbal**: smile, open body language, forward lean, touch, eye contact, nod); PEARLS statements (**verbal**: partnership, empathy, apology, respect, legitimization, support)*

** Capture 'verbatim' patient response to "Why are you here today?"*

- Let me summarize what I just heard, please correct me if anything is wrong or incomplete

HISTORY OF PRESENT ILLNESS

- Could you show me (or tell me specifically) where you are feeling this (insert symptom, ex. leg pain)? Does it seem to go anywhere else?
- How would you describe this (insert symptom)?
- For non-pain: Tell me about how severe this symptom is.
- For pain: On a scale of 0 – 10, with 0=no pain and 10=worst pain you can imagine; how would you rate your pain?

Patient Interview Paper Introduction

In the digital age, access to information has become easier than ever before. The ability to download Patient Interview Paper has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Patient Interview Paper has opened up a world of possibilities. Downloading Patient Interview Paper provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Patient Interview Paper has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Patient Interview Paper. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Patient Interview Paper. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Patient Interview Paper, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Patient Interview Paper has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
