Pulp and Paper Magazine of Canada, 1919 The Siege of Washington John Lockwood, Charles Lockwood, 2011-04-11

On April 14 1861 following the surrender of Fort Sumter Washington was put into the condition of a siege declared Abraham Lincoln Located sixty miles south of the Mason Dixon Line the nation's capital was surrounded by the slave states of Maryland and Virginia With no fortifications and only a handful of trained soldiers Washington was an ideal target for the Confederacy The South echoed with cries of On to Washington and Jefferson Davis's wife sent out cards inviting her friends to a reception at the White House on May 1 Lincoln issued an emergency proclamation on April 15 calling for 75 000 troops to suppress the rebellion and protect the capital One question now transfixed the nation whose forces would reach Washington first Northern defenders or Southern attackers For 12 days the city's fate hung in the balance Washington was entirely isolated from the North without trains telegraph or mail Sandbags were stacked around major landmarks and the unfinished Capitol was transformed into a barracks with volunteer troops camping out in the House and Senate chambers Meanwhile Maryland secessionists blocked the passage of Union reinforcements trying to reach Washington and a rumored force of 20 000 Confederate soldiers lay in wait just across the Potomac River Drawing on firsthand accounts The Siege of Washington tells this story from the perspective of leading officials residents trapped inside the city Confederates plotting to seize it and Union troops racing to save it capturing with brilliance and immediacy the precarious first days of the Civil War

American Glass Review, 1909 *Paper Trade Journal*, 1924 The Keystone, 1917 Ecosystem and Egosystem Evolution Valentin Abramovich Krasilov, 1995 **The Columbia Companion to Modern East Asian Literature** Joshua S. Mostow, 2003 This extraordinary one volume guide to the modern literatures of China Japan and Korea is the definitive reference work on the subject in the English language With more than one hundred articles that show how a host of authors and literary movements have contributed to the general literary development of their respective countries this companion is an essential starting point for the study of East Asian literatures Comprehensive thematic essays introduce each geographical section with historical overviews and surveys of persistent themes in the literature examined including nationalism gender family relations and sexuality Following the thematic essays are the individual entries over forty for China over fifty for Japan and almost thirty for Korea featuring everything from detailed analyses of the works of Tanizaki Jun ichiro and Murakami Haruki to far ranging explorations of avant garde fiction in China and postwar novels in Korea Arrayed chronologically each entry is self contained though extensive cross referencing affords readers the opportunity to gain a more synoptic view of the work author or movement The unrivaled opportunities for comparative analysis alone make this unique companion an indispensable reference for anyone interested in the burgeoning field of Asian literature Although the literatures of China Japan and Korea are each allotted separate sections the editors constantly kept an eye open to those writers works and movements that transcend national boundaries This includes for example Chinese authors who lived and

wrote in Japan Japanese authors who wrote in classical Chinese and Korean authors who write in Japanese whether under the colonial occupation or because they are resident in Japan The waves of modernization can be seen as reaching each of these countries in a staggered fashion with eddies and back flows between them then complicating the picture further This volume provides a vivid sense of this dynamic interplay *Together in Manzanar* Tracy Slater, 2025-07-08 On a late March morning in the spring of 1942 Elaine Yoneda awoke to a series of terrible choices between her family and freedom her country and conscience and her son and daughter She was the child of Russian Jewish immigrants and the wife of a Japanese American man On this war torn morning she was also a mother desperate to keep her young mixed race son from being sent to a US concentration camp Manzanar near Death Valley was one of ten detention centers where our government would eventually imprison every person of Japanese descent along the West Coast alien and citizen old and young healthy and sick or in the words of one official anyone with even one drop of Japanese blood Elaine s husband Karl was already in Manzanar but he planned to enlist as soon as the US Army would take him The Yonedas were prominent labor and antifascist activists and Karl was committed to fighting for what they had long cherished equality freedom and democracy Yet when Karl went to war their son Tommy three years old and chronically ill would be left alone in Manzanar unless Elaine convinced the US government to imprison her as well The consequences of Elaine s choice did not end there if she somehow found a way to force herself behind barbed wire with her husband and son she would leave behind her white daughter from a previous marriage *Together in Manzanar* tells the story of these painful choices and conflicting loyalties the upheaval and violence that followed and the Yonedas quest to survive with their children s lives intact and their family safe and whole **To Bury Our Fathers** Sergio Ramírez, 1984 The great panoramic novel by Cervantes Prize winner Sergio Ramirez was the first Nicaraguan novel ever translated into English
