

The Stars and Stripes Are Good Enough by Frederick W. Emerson

"The Stars and Stripes are good enough"

For these United States;

And not another flag must come

Within its peaceful gates.

Our emblem honored with the blood

Of noble, men so true,

Must everywhere be honored still,

No other flag will do.

"The Stars and Stripes are good enough,"

Let love fill every breast;

It brought us victory in war,

In times of peace gives rest.

The Liberty which we enjoy,

Wherever we may roam,

Is found beneath the Stars and Stripes

In every place called home.

Patriotic Poems For Middle School:

Remembering the Forgotten War Philip West, Suh Ji-moon, Donald Gregg, 2015-02-12 In contrast to the many books that use military diplomatic and historic language in analyzing the Korean War this book takes a cultural approach that emphasizes the human dimension of the war an approach that especially features Korean voices There are chapters on Korean art on the war translations into English of Korean poetry by Korean soldiers and American soldier poetry on the war There is a photographic essay on the war by combat journalist and Pulitzer Prize winning photographer Max Desfor Another chapter includes and analyzes songs on the Korean War Korean American and Chinese that illuminate the many complex memories of the war There is a discussion of Korean films on the war and a chapter on Korean War POWs and their contested memories More than any other nonfiction book on the war this one shows us the human face of tragedy for Americans

Chinese and most especially Koreans June 2000 was the fiftieth anniversary of the outbreak of the Korean War this moving volume is intended as a commemoration of it *Teen Life in Latin America and the Caribbean* Cynthia Tompkins, Kristen Sternberg, 2004-04-30 Teens in Latin America and the Caribbean generally face a difficult path to adulthood Poverty and unemployment violence political instability and emigration are frequently the norm in their native countries Those from poorer families must often work as well as attend school and opportunities for higher education and good jobs are limited Wealthier teens on the other hand are sheltered from harshness and enjoy private schools vacations abroad and access to American consumer products Yet family is important no matter what the class and most of these teens share a love of parties music and current fashions Latin America and the Caribbean are important regions to the United States since large numbers of Americans can trace their roots there Teen Life in Latin America and the Caribbean allows U S teens to understand the unique challenges and opportunities of teens in 15 Latin American or Caribbean countries Photos complement the text
