The Southern Transjordan Edomite Plateau and the Dead Sea Rift Valley Burton MacDonald, 2015-03-12 Burton MacDonald presents an in depth study of the archaeology and history of human presence over the past five six thousand years in the southern segment of the Transjordan Edomite Plateau and the Dead Sea Rift Valley to the west The evidence from archaeology for the area spans the entire period though the time for which literary evidence is available is only the past 4000 years from the Middle Bronze Age 2000 1550 BC Once literary evidence is available however it complements the archaeological record and as can be amply demonstrated the written records can be clarified only through the archaeological data These two sources are thus used to describe environments resources industries settlement patterns and the lifestyles of the inhabitants of this pivotal region The result is a story of the people who lived in the area from the Bronze Age through the Islamic period What is evident is that there were differences in certain archaeological periods in settlement patterns as well as lifestyles between those who lived on the southern segment of the Plateau and those who lived in the Dead Sea Rift Valley or in the lowlands immediately to the west Moreover it is obvious that when there were periods of trade and industry for example the spice trade and copper mining and processing the population of the area was higher Stable governance brought about growth in population and prosperity But other factors also played their part in these

Archaeology and the Ministry of Paul David A. deSilva,2025-05-20 A fundamental principle of biblical interpretation is the importance of context historical literary and canonical But an often neglected source of context for understanding Scripture is the field of archaeology The physical and cultural world we inhabit affects us deeply and that was no less true for the original writers and readers of Scripture Archaeology provides insights into important questions like What did these believers see day to day What messages did they receive from their environment What social practices influenced them In

this first of three planned volumes New Testament scholar David deSilva uses archaeological findings to explore the places the apostle Paul ministered and his audiences lived This visually compelling and beautifully designed book contains more than 250 full color photographs of sites and artifacts deSilva focuses on the fruits of archaeology in regard to the sites associated with the ministry of Paul in Acts and in Paul s own writings The combination of photos and text helps readers understand the real life situations Paul addressed This volume will be an important supplemental textbook for courses on the New Testament and for anyone who wants to better understand the lived context of Paul and his readers **Psychomotor Domain Training and Serious Disabilities** Paul Jansma,1999 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com Galatians Timothy George,1994-08-03 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **Framing Paul** Douglas A. Campbell,2014-11-27 All historical work on Paul presupposes a story concerning the composition of his letters which ones he actually wrote how many pieces they might originally have consisted of when he wrote them where from and why But the answers given to these questions are often derived in dubious ways In Framing Paul Douglas Campbell reappraises all these issues in rigorous fashion appealing only to Paul s own epistolary data in order to derive a basic frame for the letters on which all subsequent interpretation can be built Though figuring out the authorship and order of Paul s letters has been thought to be impossible Campbell s Framing Paul presents a cogent solution to the puzzle **At the Temple Gates** Heidi Wendt,2016-08-18 In his sixth satire Juvenal speculates about how Roman wives busy themselves while their husbands are away namely by entertaining a revolving door of exotic visitors who include a eunuch of the eastern goddess Bellona an impersonator of Egyptian Anubis a Judean priestess and Chaldean astrologers From these self proclaimed religious specialists women solicit services ranging from dream interpretation to the coercion of lovers Juvenal s catalogue suggests the popularity of such freelance experts at the turn of the second century and their familiarity to his audience whom he could expect to get the joke Heidi Wendt investigates the backdrop of this enthusiasm for the religion of freelance experts by examining their rise during the first two centuries of the Roman Empire Unlike civic priests and temple personnel freelance experts had to generate their own authority and legitimacy often through demonstrations of skill and learning in the streets in marketplaces and at the temple gates among other locations in the Roman world Wendt argues that these professionals participated in a highly competitive form of religious activity that intersected with multiple areas of specialty particularly philosophy and medicine Over the course of the imperial period freelance experts grew increasingly influential more diverse with respect to their skills and methods and more assorted in the ethnic coding of their practices Wendt argues that this context engendered many of the innovative forms of religion that flourished in the second and third centuries including phenomena linked with Persian Mithras the Egyptian gods and the Judean Christ The evidence for freelance experts in religion is abundant but scholars of ancient Mediterranean religion have only recently begun to appreciate their impact on
