Primary Gift Kelly F. Holland,2014-05-15 Early in my life I faced great challenges I could not be a child like my siblings or my classmates My journey was different In my school I learned about schizophrenia and physical violence My teacher was very powerful As an adolescent I lost my way I became a ward of the court and completed my high school education while living in a state group home In 1989 at age twenty six I met an exemplary professional who began to show me the way For the next twenty years and beyond I learned lessons of discipline love and respect for self and others Soon my lifes success began to unfold At age twenty six I received my lifes primary gift In 1999 I became on fire for my life because of the excellence that I had witnessed in another person I began to dream of talking to the world about the excellence that lives within each one of us I relocated my life to the desert Southwest It was there that I began to hear my hearts song and awaken to the excellence of my lifes journey It was there that I discovered the wisdom of my lifes teachings I believe that no matter what circumstances you may find yourself in excellence is present And no matter how desolate you

may feel when you find the fire the inspiration and the music of your heart there isn't anything that can keep you from living your life's dreams
