Freedom of Information Patrick Birkinshaw, 2010-04-01 Enacted in 2000 and in operation in the UK since 2005 the Freedom of Information FOI Act has revealed information which has generated calls for constitutional reform A massive information jurisprudence has developed through the decisions of the Information Commissioner the Information Tribunal and the courts Governments responses to the war on terror have involved increased resort to claims of national security and accompanying secrecy but these developments have to exist alongside demands for FOI and transparency FOI has to balance access to and protection of personal information and major amendments have been made to the Data Protection Act in order to balance the competing demands of transparency and privacy This detailed discussion of FOI laws and personal data laws examines the historical development of secrecy national security and government and their modern context

Tradition, Literature and Politics in East-Central Europe Carl Tighe, 2020-12-30 Milan Kundera warned that in the states of East Central Europe attitudes to the west and the idea of Europe were complex and could even be hostile But few could have imagined how the collapse of communism and membership of the EU would confront these countries with a life that was suddenly and disconcertingly modern and which challenged sustaining traditions in literature culture politics and established views on identity Since the countries of East Central Europe joined the European Union in 2004 the

politicians and oppositionists of the centre left who once led the charge against communism have often been forced to give way to right wing authoritarian populist governments These governments while keen to accept EU finance have been determined to present themselves as protecting their traditional ethno national inheritance resisting foreign interference stemming the gay invasion halting Islamic replacement and reversing women s rights They have blamed Communists liberals foreigners Jews and Gypsies revised abortion laws tampered with their constitutions to control the Justice system and taken over the media to an astonishing degree By 2019 amid calls for the suspension of their voting rights both Poland and Hungary had been taken to the European Court of Justice and the European Parliament and had begun to explore ways to put conditions on future EU funding This book focuses on the interface between tradition literature and politics in east central Europe focusing mainly on Poland but also Hungary and the Czech Republic It explores literary tradition and the role of writers to ask why these left liberals who were once ubiquitous in the struggles with communism are now marginalised often reviled and almost entirely absent from political debate It asks in what ways the advent of capitalism normalised literature and what the consequences might be It asks whether the rise of chauvinism is normal in this part of the world and whether the literary traditions that helped sustain independent political thought through the communist years now instead of supporting literature feed nationalist opinion and negative attitudes to the idea of Europe

Exemplar Series: Assessing student performance, grades 9-12 Miles Myers, Elizabeth Spalding, 1997 **Robin Cook** Robin Cook, 1997 Robin Cook

keeps the suspense mounting and the pages turning in these three gripping medical thrillers Combining cutting edge technology rich medical lore and his signature brand of spellbinding suspense Cook draws his tales straight out of today s headlines creating controversy and intrigue with the same broad stroke of his pen **The African American Writer's**

writers both past and present How did Richard Wright become America's first bestselling black writer How did Zora Neale Hurston break through the artistic boundaries of the Harlem Renaissance long after her death What was Toni Cade Bambara doing before she sold her first book Why should Ann Petry William Gardner Smith Nella Larsen and William Melvin Kelley be revered wherever African American literature is read Blending practical information and fascinating anecdotes with a mini literary history of African American writing this upbeat savvy essential guide is a publishing primer with soul

Contemporary Britain John Oakland, 2001 Covering every important aspect of British life from national identity to moral panics *Contemporary Britain* provides a fascinating picture of life in the United Kingdom at the beginning of the 21st century

Encyclopedia of American Popular Fiction Geoff Hamilton, Brian Jones, 2010-05-12 Covers contemporary authors and works that have enjoyed commercial success in the United States but are typically neglected by more literary guides Provides high school and college students with everything they need to know to understand the authors and works of American popular fiction

Parliamentary reform at Westminster Alexandra Kelso, 2013-07-19 The Labour government elected in 1997 pledged to reform the Westminster parliament by modernising the House of Commons and removing the hereditary peers from the House of Lords Events have consequently demonstrated the deep controversy that accompanies such attempts at institutional reconfiguration and have highlighted the shifting fault lines in executive legislative relations in the UK as well as the deep complexities surrounding British constitutional politics The story of parliamentary reform is about the nature of the British political system about how the government seeks to expand its control over parliament and about how parliament discharges its duty to scrutinise the executive and hold it to account This book available in paperback for the first time charts the course of Westminster reform since 1997 but does so by placing it in the context of parliamentary reform pursued in the past and thus adopts a historical perspective which lends it considerable analytical value Significantly the book examines parliamentary reform through the lens of institutional theory in order not only to describe reform but also to interpret and explain it It also draws on extensive interviews conducted with MPs and peers involved in the reform of parliament since 1997 thus offering a unique insight into how these political actors perceived the reform process in which they played a part Parliamentary reform at Westminster now available in paperback provides a comprehensive and authoritative analysis of the trajectory and outcome of the reform of parliament along with an incisive interpretation of the implications for our understanding of British politics

New York Magazine, 1981-02-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
