Understanding Contemporary Chicana Literature Deborah L. Madsen, 2000 Exploring the work of six notable authors this text reveals characteristic themes images and stylistic devices that make contemporary Chicana writing a vibrant and innovative part of a burgeoning Latina creativity

A Haunting in Hialeah Gardens Raul Palma, 2024-10-01 A genre bending debut with a fiercely political heart A Haunting in Hialeah Gardens explores the weight of the devil's bargain following the lengths one man will go to for the promise of freedom Hugo Contreras's world in Miami has shrunk Since his wife died Hugo's debt from her medical bills has become insurmountable He shuffles between his efficiency apartment La Carreta his favorite place for a cafecito and a botanica in a strip mall where he works as the resident babalwo One day Hugo's nemesis calls Alexi Ramirez is a debt collector who has been hounding Hugo for years and Hugo assumes this call is just more of the same Except this time Alexi is calling because he needs spiritual help His house is haunted Alexi proposes a deal If Hugo can successfully cleanse his home before Noche Buena Alexi will forgive Hugo's debt Hugo reluctantly accepts but there's one issue Despite being a babalwo he doesn't believe in spirits Hugo plans to do what he's done with dozens of clients before use sleight of hand and amateur psychology to convince Alexi the spirits have departed But when the job turns out to be more than Hugo bargained for Hugo's old tricks don't work Memories of his past his childhood in the Bolivian silver mines and a fraught crossing into the United States as a boy collide with Alexi's demons in an explosive climax Equal parts hilarious and heartbreaking A Haunting in Hialeah Gardens explores questions of visibility migration and what we owe to ourselves our families and our histories

With Her Machete in Her Hand Catrióna Rueda Esquibel, 2009-09-15 With the 1981 publication of the groundbreaking anthology This Bridge Called My Back Writings by Radical Women of Color Cherríe Moraga and Gloria Anzaldúa ushered in an era of Chicana lesbian writing But while these two writers have achieved iconic status observers of the Chicano experience have been slow to perceive the existence of a whole community lesbian and straight male as well as female who write about the Chicana lesbian experience To create a first full map of that community this book explores a wide range of plays novels and short stories by Chicano authors that depict lesbian characters or lesbian desire Catrióna Rueda Esquibel starts from the premise that Chicano communities theories and feminisms cannot be fully understood without taking account of the perspectives and experiences of Chicana lesbians To open up these perspectives she engages in close readings of works centered around the following themes La Llorona the Aztec Princess Sor Juana Inés de la Cruz girlhood friendships rural communities and history and Chicana activism Her investigation broadens the community of Chicana

lesbian writers well beyond Moraga and Anzald a while it also demonstrates that the histories of Chicana lesbians have had to be written in works of fiction because these women have been marginalized and excluded in canonical writings on Chicano life and experience

Mestizos Come Home! All My Relatives Bonnie TuSmith, 1994 Challenges the prevailing notion that the work of all American writers reflects a sense of determined individualism

Bird of Paradise Raquel Cepeda, 2013-03-05 In 2009 Raquel Cepeda embarked on an exploration of her genealogy using ancestral DNA testing to uncover the truth about her family and the tapestry of races and ethnicities that came together in an ambiguous mix in her features resulting in a beautiful story of reconciliation and redemption Huffington Post with her identity and what it means to be Latina Digging through memories long buried Cepeda journeyed not only into her ancestry but also into her own history Born in Harlem to Dominican parents she was sent to live with her maternal grandparents in the Paraíso Paradise district in Santo Domingo while still a baby It proved to be an idyllic reprieve in her otherwise fraught childhood Paraíso came to mean family home belonging When Cepeda returned to the US she discovered her family constellation had changed Her mother had a new abusive boyfriend who relocated the family to San Francisco When that relationship fell apart Cepeda found herself back in New York City with her father and European stepmother attending tennis lessons and Catholic schools fighting vicious battles with her father who discouraged her from expressing the Dominican part of her hyphenated identity and immersed in the 80s hip hop culture

of uptown Manhattan It was in these streets through the prism of hip hop and the sometimes loving embrace of her community that Cepeda constructed her own identity Years later when Cepeda had become a successful journalist and documentary filmmaker the strands of her DNA would take her further across the globe and into history Who were her ancestors How did they and she become Latina Her journey as the most unforgettable ones often do would lead her to places she hadn't expected to go With a vibrant lyrical prose and fierce honesty Cepeda parses concepts of race identity and ancestral DNA among Latinos by using her own Dominican American story as one example and in the process arrives at some sort of peace with her father

Feminist Theory and Literary Practice Deborah L. Madsen, 2000-08-20 An accessible account of the varieties of feminist thought within the context of the key American texts including Kate Chopin Alice Walker and Ann Beattie

Myth and Environment in Recent Southwestern Literature, Theda Wrede, 2014-04-10 The romantic perception of the American Southwest as a wild and dangerous frontier where heroic settlers prove their endurance has often responded to a common human desire to escape from the pressures of civilization and experience an authentic relationship with nature This idealized notion about life in the Southwest however has contributed the subjugation of the indigenous populations and the natural world while helping rationalize the conquest of both In *Myth and Environment in Recent Southwestern Literature* Theda Wrede brings contemporary Southwestern American literature under the microscope to examine the ways in which the mythic narrative has influenced attitudes toward the land in the region Focusing on popular novels by Cormac McCarthy Barbara Kingsolver Leslie Marmon Silko and Denise Chavez Wrede explores the psychology behind the myth and discusses the ways in which the four authors deploy the mythic narrative interrogate its validity and offer visions for alternative modes of inhabiting the Southwest In combining ideas from a culturally sensitive ecofeminist theory psychoanalysis postcolonial studies and literary studies the study offers an innovative conceptual framework for discussions about environmental responsibility in the twenty first century Finally it also encourages its readers to partake in the process of mythogenesis by imagining sustainable narratives to help rescue the promise of the Southwest for the new millennium

Shamans of the

Foye Tree Ana Mariella Bacigalupo, 2010-01-01 Drawing on anthropologist Ana Mariella Bacigalupo's fifteen years of field research *Shamans of the Foye Tree: Gender, Power, and Healing among Chilean Mapuche* is the first study to follow shamans' gender identities and performance in a variety of ritual, social, sexual, and political contexts. To Mapuche shamans or machi, the foye tree is of special importance not only for its medicinal qualities but also because of its hermaphroditic flowers which reflect the gender-shifting components of machi healing practices. Framed by the cultural constructions of gender and identity, Bacigalupo's fascinating findings span the ways in which the Chilean state stigmatizes the machi as witches and sexual deviants, how shamans use paradoxical discourses about gender to legitimize themselves as healers, and at the same time as modern men and women, the tree's political use as a symbol of resistance to national ideologies and other components of these rich traditions. The first comprehensive study on Mapuche shamans' gendered practices, *Shamans of the Foye Tree* offers new perspectives on this crucial intersection of spiritual, social, and political power. We Who Love to Be Astonished Laura Hinton, Cynthia Hogue, 2002 This first critical volume devoted to the full range of women's postmodern works includes some of the most respected writers and critics in the contemporary avant-garde. *We Who Love to Be Astonished* collects a powerful group of previously unpublished essays to fill a gap in the critical evaluation of women's contributions to postmodern experimental writing. Contributors include Alan Golding, Aldon Nielsen, and Rachel Blau DuPlessis. Discussions include analyses of the work of Kathleen Fraser, Harryette Mullen, and Kathy Acker, among others. The editors take as their title a line from the work of Lyn Hejinian, one of the most respected of innovative women poets writing today. The volume is organized into four sections: the first two seek to identify from two different angles the ways women of different sociocultural backgrounds are exploring their relationships to their cultures; the third section investigates the issue of visuality and the problems and challenges it creates; and the fourth section expands on the role of the body as material and performance. The collection will breach a once irreconcilable divide between those who theorize about women's writing and those who focus on formalist practice. By embracing astonishment as the site of formalist feminist investigation, the editors seek to show how form configures feminist thought and likewise how feminist thought informs words and letters on a page. Students and scholars of avant-garde poetry, women's writing, and late 20th-century American literature will welcome this lively discussion. A Dream Compels Us New America's Press, 1989 These interviews, testimonies, and articles by and about women in the popular and revolutionary movements of El Salvador address Latin American feminism, the role of women in social change and war, and their ideas for building democracy out of totalitarianism.
