genie Lily's young life wasn't perfect. To escape the kids making her miserable at school, Lily buried herself in romance novels. One day when the teasing was just too much, she used one of her wishes. She told Fazire she wanted to find a man like in her books and she made the most complicated wish Fazire had ever heard. Her wished-for man had to be impossibly handsome, virile, fierce, rugged, and ruthless amongst a dozen other things. He also had to think she was beautiful and he had to love her more than anything in the world. Nathaniel McAllister wasn't born to a life where there were such things as genies granting wishes. His life was filled with drugs, crime, and neglect. He was running errands for a gangster before he was in his teens and even though life and hard work led him to wealth and respectability, he always knew deep down he was dirty. When Nate met Lily, he knew he was no good for her, but as virile, fierce, rugged, and ruthless as he was, Nate was no match for the pull of sweet, innocent Lily. Unfortunately, Lily's wish included that she and her hero go through trials and tribulations to test their love. And Fazire wasn't only a good genie; he loved Lily, so he gave her exactly what she wanted. *Bounty* Kristen

Ashley, 2016-04-18. Justice Lonesome has enjoyed a life of bounty. Even so, she's inherited the curse of the Lonesome, a poet's soul. Which means she's still searching for something. Searching for peace. Searching for the less that's more. And when the foundation of her life is pulled out from under her, grieving, she goes to the mountains to find her oasis. She hits Carnal Colorado and decides to stay. Deke Hightower lost everything at the age of two. He lost it again at fifteen. His life has not been about bounty. It's been about learning to live with less because there's no way to get more. Deke's also watched all his friends go down to the women who gave them what they needed. He wants that for himself. But he knows that search isn't going to be easy because he's a rider. His home is the road. That's the only place he can breathe. And the woman who takes her place at his side has to do it sitting on the back of his bike. When Deke meets Justice, he knows she's not that woman. She's cute. She's sweet. And she's into him, but she's got it all, and Deke knows he won't fit into that. So he holds her at arm's length. Establishes boundaries. And Justice will take it because she wants Deke. Any way he'll let her have him. But when Justice finds herself a pawn in a dangerous game, Deke makes a decision. When he does, he has no idea he's just opened himself up to bounty.

Lucky Stars Kristen Ashley, 2012-06-21. Belle Abbot is pathologically shy, and because of this, she's living a nightmare due to the fact that she's also a national treasure hounded by the media. James Bennett is known the world over as the perfect catch: handsome, wealthy, and the owner of an intimidating castle on a Cornish Cliff. Chy An Als Point. Belle and James meet, and in one night, they fall in love. The problem is Belle's dating James's brother. As quickly as they fall together, Belle and James are torn apart. Not long after, circumstances throw them back into each other's lives, and they find they were right that first romantic night: they were meant to be. Even if their families want them together, James's brother Miles does not. Dogged by a rabid media who are fascinated by their love triangle, as well as Belle's hidden demons, James and Belle find they have yet another problem to solve. The Point is haunted by the ghosts of two children murdered in the castle. Their murderer will stop at nothing to keep their souls tethered to The Point instead of letting them live eternity with their mother and father.

Belle is determined to find her courage and help them and she enlists her loopy mother loopier grandmother James's even loopier ex girlfriend and the dubious but talented team of rock n roll witch Cassandra McNabb and Scottish ghost hunter extraordinaire Angus McPherson to help the children find their way back home For You Kristen Ashley, 2011-11-15
