*Labor Matters* Roderick O. Ford J.D., Roderick Ford, 2011-10 No solution to the crisis of American race relations is viable without taking into account labor matters *Labor Matters African American Labor Crisis 1861 2010* presents a sobering historical analysis of race and employment relations in the United States through thirteen unique essays including scholarly articles speeches a biographical essay and law review notes In this book we learn that American labor and employment laws were from 1861 to about 1940 intentionally designed to preserve the effects of American slavery on African American workers that these laws were revamped after World War II in response to the Civil Rights Movements of the 1940s 50s and 60s but since the 1970s these laws have been misapplied to the detriment of the African American community The reasons covered are multifaceted the problems dealt with are spiritual and cultural and the underlying solutions appear to be fundamentally economic Attorney Roderick O Ford has completed a masterful work **Jesus Master of Law** Roderick O. Ford, 2015-01-16 Here Jesus of Nazareth is presented as we have never witnessed him before as a legal advocate as a jurist and as an interpreter of the Law of Moses This bold book is an original and revolutionary conceptualization of Jesus as not only a profound religious thinker but also as a preeminent legal theorist Here we find in Jesus's teachings and parables the analytical and moral reasoning which is the foundation of Anglo American common law Western civilization and modern worldwide and secular jurisprudence *Jesus Master of Law* reminds us that laws both secular and sacred can be applied to achieve justice only when they are interpreted through the proverbial prism of righteous and moral objectives **The Law of Moses** Roderick O. Ford, 2017-01-18 *The Law of Moses* Commentaries on the New and Old Testament Law is a simple yet thought provoking analysis of the Mosaic legal code found in the books of Genesis Exodus Leviticus Numbers and Deuteronomy It carefully analyzes the Old Testament Law as the foundation of the New Testament Gospel and it places them within the context of parables and teachings of Jesus of Nazareth *The Law of Moses* is especially useful for those persons who are familiar with the New Testament and the teachings of Christ but who have not yet studied the deeper meanings of the Old Testament Law This book is also a great Bible study companion that is practical and useful for knowledgeable and experienced Christians Muslims and Jews including lawyers pastors and theologians *The History of Ireland, Ancient and Modern, Taken from the Most Authentic Records, and Dedicated to the Irish Brigade* James MacGeoghegan, Patrick O'Kelly, 2024-04-28 Reprint of the original first published in 1845 *African American History Day by Day* Karen Juanita Carrillo, 2012-08-22 The proof of any group's importance to history is in the detail a fact made plain by this informative book's day by day documentation of the impact of African Americans on life in the United States One of the easiest ways to grasp any aspect of history is to look at it as a continuum *African American History Day by Day A Reference Guide to Events* provides just such an opportunity Organized in the form of a calendar this book allows readers to see the dates of famous births deaths and events that have affected the lives of African Americans and by extension of America as a whole Each day
