- Recognize the behaviors associated with good and bad sportsmanship
- Describe the importance of good sportsmanship

**Time required:**

15-60 minutes

**Activity:**

Before the youth arrive, the leader can use scissors to cut apart the Role Play Scenarios handout on the dotted lines.

Each scenario will require at least two youth to role play (one side will model good sportsmanship while the other will model poor sportsmanship). After giving each youth their portion of the scenario, they should be allowed approximately five minutes to prepare for the role play. Reflection questions should follow each role play.

**Reflection Questions:**

- *Did you feel comfortable in your position in the role-play scenario?*
- *How do you think you would have acted naturally if you encountered that scenario?*
- *Does this activity make you think differently about how you model*

Tim Delaney, 2016-02-17 Sportsmanship is a broad concept: ethics, fairness, honor, and self-control. Some people find it difficult to define what makes a good sport, but state I know one when I see one. This collection of new essays brings together the work of more than two dozen contributors from around the world who teach sportsmanship in a range of academic disciplines, including sociology, psychology, economics, education, kinesiology, and applied athletics. Topics include the moral ambiguities of cheating, recreation in prison, ethics and character formation, coaching perspectives, gender, race, and the portrayal of sportsmanship in film.
