**Bookseller and the Stationery Trades' Journal**, 1910      *The Bookseller*, 1914      *1000 and One*, 1926      **Jet**, 1972-01-06 The weekly source of African American political and entertainment news      **Joyce's Messianism** Gian Balsamo, 2004 In his study of negative existence and how it affects James Joyce's principal characters Gian Balsamo joins the ongoing debate about the Irish writer's relationship to Dante and considers the centrality of messianism to that relationship Finding in Dante a negative poetics that becomes a model for Joyce Balsamo suggests that the inception and cessation of life two occurrences that conventionally are deemed impossible to experience personally and directly typically frame the existential experiences of Joyce's main characters Balsamo perceives Stephen Leopold and Shem as messianic figures because they rebel against this convention clustering their lives around the very events of inception and burial Balsamo traces the engagement of each of the three characters in a negative existence immune from the rules and limitations of ordinary experience Each struggles to express rather than exorcise the fecundity of his own mortality each reinvents his biography as involving the pivotal transaction of one death be it a mother's a son's or even that of his own body in return for catharsis Drawing on the writings of Giambattista Vico Saint Augustine Emile Durkheim and Noam Chomsky Balsamo challenges the current debate by identifying the messianic thread that ties together the biographies of Joyce's three characters Faced with the fissure between history and poetic vocation Stephen embraces the sacrificial poetry of silence Faced with the domestic squalor provoked by the loss of his son Leopold renews at every meal the cathartic exchange of food and semen Faced with a destiny of death and decomposition Shem reenacts the tradition of the medieval cycle drama stretching his own body like a parchment on a cross and then rubricating it like a sacred manuscript      **Turner Classic Movies Presents Leonard Maltin's Classic Movie Guide** Leonard Maltin, 2015-09-29 The definitive guide to classic films from one of America's most trusted film critics Thanks to Netflix and cable television classic films are more accessible than ever Now co-branded with Turner Classic Movies Leonard Maltin's Classic Movie Guide covers films from Hollywood and around the world from the silent era through 1965 and from *The Maltese Falcon* to *Singin' in the Rain* and *Godzilla King of the Monsters* Thoroughly revised and updated and featuring expanded indexes a list of Maltin's personal recommendations and three hundred new entries including many offbeat and obscure films this new edition is a must-have companion for every movie lover      **The British Film Catalogue** Denis Gifford, 2018-10-24 The standard work on its subject this resource includes every traceable British entertainment film from the inception of the silent cinema to the present day Now this new edition includes a wholly original second volume devoted to non-fiction and documentary film an area in which the British film industry has particularly excelled All entries throughout this third edition have been revised and coverage has been extended through 1994 Together these two volumes provide a unique authoritative source of information for historians archivists librarians and film scholars      **The Encyclopedia of Best Films** Jay Robert Nash, 2019-10-23 This all-inclusive A-Z

encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5 000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre, i.e. animated, drama, sports, mystery, adventure, etc. as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

**Scandalous Women** Elizabeth Kerri Mahon, 2011-03-01 Throughout history women have caused wars, defied the rules, and brought men to their knees. The famous and the infamous, queens, divorcees, actresses, and outlaws have created a ruckus during their lifetimes, turning heads while making waves. *Scandalous Women* tells the stories of the risk takers who have flouted convention, beaten the odds, and determined the course of world events. When Cleopatra 69 BC-30 BC wasn't bathing in asses' milk, the last pharaoh of the Ptolemaic dynasty ruled Egypt and forged an important political alliance with Rome against her enemies until her dalliance with Marc Antony turned the empire against her. Emilie du Châtelet 1706-1748, a mathematician, physicist, author, and paramour of one of the greatest minds in France, Voltaire, shocked society with her unorthodox lifestyle and intellectual prowess and became a leader in the study of theoretical physics in France at a time when the sciences were ruled by men. Long before Rosa Parks refused to give up her seat on the bus, Ida B. Wells Barnett 1862-1928 fought to end discrimination and the terrible crime of lynching and helped found the NAACP but became known as a difficult woman for her refusal to compromise and was largely lost in the annals of history. Gertrude Bell 1868-1926 had a passion for archaeology and languages and left her privileged world behind to become one of the foremost chroniclers of British imperialism in the Middle East and one of the architects of the modern nation of Iraq. Poverty Row Studios, 1929-1940 Michael R. Pitts, 2015-09-17 From the beginning of the sound era until the end of the 1930s, independent movie making thrived. Many of the independent studios were headquartered in a section of Hollywood called Poverty Row. Here the independents made movies on the cheap, usually at rented facilities where shooting was limited to only a few days. From Allied Pictures Corporation to Willis Kent Production, 55 Poverty Row Studios are given histories in this book. Some of the studios, such as Diversion Pictures and Crescent Pictures, came into existence for the sole purpose of releasing movies by established stars. Others, for example J.D. Kendis, were early exploitation filmmakers under the guise of sex education. The histories include critical commentary on the studio's output and a filmography of all titles released from 1929 through 1940.
