Ancient Rome Handbook. A historical guide for travelers Luisa Maesano,2017-03-20 Scipio Caesar Augustus Nero Marcus Aurelius what was the secret to their power And the famous Republic was it really democracy How were the legions structured Who exactly were the slaves the gladiators and the barbarians What caused the mighty Empire to finally fall The Handbook is a comprehensive summary of ancient Rome s history organized in a totally new format that makes it understandable and easy to scroll It is the compelling story of Rome from its humble beginnings to the fall of a dominant empire The book is made up of brief paragraphs with a clear focus on events put into their political and social context With more than 500 photographs all linked to Google Maps A History of Ancient Rome Handbook for Travelers couples the historical facts to the places where they actually occurred making it a truly unique historical guide The Handbook is an especially useful tool for an archaeological exploration of Rome Using the internal links in the text you can quickly return to key passages characters clarify unfamiliar words and deepen political military and social aspects of events There is no shortage of curiosities and anecdotes The Handbook never veers from the facts and is always reliably historical The date abbreviations BC before Christ and AD anno domini are used throughout the book as they are most familiar to the author The author apologizes for she is well aware of the modern terms BCE Before Common Era and CE Common Era used by the academic community and NASA These modern terms actually reflect historical correctness given that Christ s birth date should be around 6 BCE And why is that Well you ll just have to check it out in the Handbook

Ancient Violence in the Modern Imagination Irene Berti,Maria G. Castello,Carla Scilabra,2020-10-15 The collected essays in this volume focus on the presentation representation and interpretation of ancient violence from war to slavery rape and murder in the modern visual and performing arts with special attention to videogames and dance as well as the more usual media of film literature and theatre Violence fury and the dread that they provoke are factors that appear frequently in the ancient sources The dark side of antiquity so distant from the ideal of purity and harmony that the classical heritage until recently usually called forth has

repeatedly struck the imagination of artists writers and scholars across ages and cultures A global assembly of contributors from Europe to Brazil and from the US to New Zealand consider historical and mythical violence in Stanley Kubrick s Spartacus and the 2010 TV series of the same name in Ridley Scott s Gladiator in the work of Lars von Trier and in Soviet ballet and the choreography of Martha Graham and Anita Berber Representations of Roman warfare appear in videogames such as Ryse Son of Rome and Total War as well as recent comics and examples from both these media are analysed in the volume Finally interviews with two artists offer insight into the ways in which practitioners understand and engage with the complex reception of these themes *Guinness World Records 2018 Gamer's Edition* Guinness World Records,2017-09-18 From the global authority in record breaking comes the 11th edition of the world s best selling videogames annual Packed with the latest records coolest stars and the biggest games the Guinness World Records Gamer s Edition is the go to bible for every gaming fan Just ask the five million readers who ve made it an international sensation Inside you ll find amazing stats thrilling facts inspirational tales lightning quick speed runs and dazzling photos Read about the records behind your favorite games including Mario Overwatch FIFA WWE and Rocket League plus recap on a year of crazy Pok mon GO stories Go behind the scenes of the world s longest running eSports organizer Spook yourself silly with real life videogame mysteries Check out the fastest videogame completions And gaze in envy at the world s largest Zelda and Tomb Raider collections You ll also meet gaming heroes such as the world s oldest games YouTuber at 81 a man with a real life cyborg arm that was inspired by Deus Ex and the kingpin of eSports fighting games But the videogame stars don t get much bigger than DanTDM whose Minecraft channel has been watched nearly 10 billion times So we re thrilled he s written a special intro just for the Guinness World Records Gamer s Edition Speaking of heroes grab your cape and turn to this year s special chapter featuring superhero games It hard to believe it s been nearly 40 years since Superman first exploded onto our consoles So we re celebrating with your favorite costumed crime battlers From Spider Man s web crawling to Batman s gadgetry they re just as powerful in pixels as they are in the movies So whether you want to know who scored the fastest goal in FIFA or achieved the fastest speed run of Final Fantasy XV or just want to see the world s biggest Game Boy this is the book for you [Reference Guide to English Literature](#) D. A Topical Guide to the Koran & Sharia Law Robert Maddock, 2020-03-17 This book is based on the 1734 translation of the Koran by George Sale This translation is in King James English making comparisons between it and the King James Bible easily This is a topical guide that will take a word or short phrase and find it in every verse of the Koran where it appears These verses are placed together so that the reader can readily determine the context and therefore the meaning of the word or phrase In some instances such as the word jihad which does not appear in the Sale translation it is traced in the University of Michigan s online translation of the Koran There it appears thirteen times but in only two does it mean an internal struggle In the other eleven it means warfare When analyzing words and phrases in the Koran it is important to know when they were received and written It is also important to know that the Koran includes material that seems to come from other sources This has been outlined in volume 2 of the 1 300 Years War As noted in volume 1 of the 1 300 Years War Muhammad PBUH has been thought by many for over 150 years to have suffered from temporal lobe epilepsy associated with visual and auditory hallucinations These seizures last less than three minutes It is therefore important to know which suras might have come from a single episode A table shows this in volume 1 table 8 Many scholars divide the Koran into four major periods early Mecca AD 610 615 mid Mecca AD 616 late Mecca AD 617 621 and Medina AD 622 632 The analysis of the verses in these periods found that militancy against non Muslims progresses 7 7 percent of the verses from early Mecca are militant This rises to 10 6 percent in the mid Mecca period and 18 3 percent in the late Mecca period It tops out at 29 3 percent in the Medina period The colored version of the topical guide shows these periods in black blue green and red In the black and white edition it shows these four periods of the Koran in plain italics boldface italics regular plain type and boldface regular type The reason this division is important is the doctrine of abrogation 2 106 given early in the Medina period This states that verses given later may nullify verses given earlier Thus many peaceful verses given in the early parts of the Koran may be nullified by the verse of the sword 9 5 given

later toward the end of the prophet s life Slay the idolaters wherever you find them So far as I have been able to determine there has been no stylistic analysis of the Koran A person studying the Koran or the history of Islam will find this work most valuable

Virtual History A. Martin Wainwright,2019-06-28 Virtual History examines many of the most popular historical video games released over the last decade and explores their portrayal of history The book looks at the motives and perspectives of game designers and marketers as well as the societal expectations addressed through contingency and determinism economics the environment culture ethnicity gender and violence Approaching videogames as a compelling art form that can simultaneously inform and mislead the book considers the historical accuracy of videogames while also exploring how they depict the underlying processes of history and highlighting their strengths as tools for understanding history The first survey of the historical content and approach of popular videogames designed with students in mind it argues that games can depict history and engage players with it in a useful way encouraging the reader to consider the games they play from a different perspective Supported by examples and screenshots that contextualize the discussion Virtual History is a useful resource for students of media and world history as well as those focusing on the portrayal of history through the medium of videogames
