**Force on Violent Crime** United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, 1983

**Oxford Textbook of Correctional Psychiatry** Professor Robert Trestman L, Professor Kenneth Appelbaum, Professor Jeffrey Metzner, 2015-02-26 Correctional psychiatry has received increasing recognition as an area of practice with unique skills and knowledge The Oxford Textbook of Correctional Psychiatry brings together American and international experts to provide a comprehensive overview of the field Students and psychiatric residents will find basic information that prepares them for clinical rotations and psychiatrists working in jails and prisons will find a detailed review of the complex issues that arise in these settings The Oxford Textbook of Correctional Psychiatry contains 71 chapters divided into 14 sections The first three sections address history structure and processes including chapters on case law human rights ethics organization and funding of systems and stages of patient management that cover initial assessments through re entry The next three sections review in turn a broad array of management issues emergencies and psychopharmacology topics Among other topics these sections include chapters on sleep detoxification reassessment of community diagnoses and treatments diversion programs levels of care malingering substance use within facilities and formulary management Section seven has chapters on common psychiatric disorders relevant medical disorders and pain management Sections eight through ten focus on psychotherapeutic options suicide risk management and addictions treatment Chapters on aggression self injury and other behavioral challenges appear in Section eleven Section twelve reviews unique assessment and treatment needs of many distinct population groups Special topics such as forensics psychological testing sexual assaults quality improvement training and research appear in Section thirteen followed by a section devoted to current resources in correctional healthcare The range of topics covered and the number of prominent contributors set this book apart from other available resources Readers at all stages of their careers will gain the depth of understanding and practical information they need to approach all of the common clinical organizational and ethical challenges they face      **Prison Violence in America** Michael Braswell, Reid H. Montgomery, Lucien X. Lombardo, 1994 Topics covered include interpersonal violence sexual violence staff violence rape

National Institute of Justice Journal , 1999-07      **American Corrections** Barry A. Krisberg, Susan Marchionna, Christopher J. Hartney, 2018-01-17 American Corrections Second Edition offers you a contemporary issues oriented introduction that covers every aspect of corrections prompting you to think critically about complex issues that are affecting the current U S correctional system Incorporating the most recent theory research and data available the Second Edition encourages you to explore the most interesting and progressive developments in correctional policy and practice Authors Barry A Krisberg Susan Marchionna and Christopher J Hartney draw from years of professional experience to give

you a practical knowledge of corrections as well as provide a framework for thoughtful analysis into what is plaguing the American correctional system and a realistic exploration of the solutions that could make a difference New to the Second Edition Up to date coverage of today s key issues reflects the latest developments in corrections including the fiscal impact of corrections reforms in corrections and an expanded use of alternatives to incarceration Debates around the effectiveness of corrections encourage you to think critically about probation problem solving courts split sentences and flash incarceration new recidivism studies rates of racial and ethnic disparity in adult and juvenile corrections and overrepresentation of youth of color in prisons Recent trends are discussed to give you a clearer picture of how the correctional system has transformed over the years including the decline in the practice of incarcerating juveniles in large prisons the rising incarceration rate for women the treatment of mentally ill inmates the increase of private prisons and more Incisive exploration of policies proposed by the Trump administration shows you how the current administration s approach differs from Obama era sentencing reforms and encourages students to think critically about the potent impacts on the correctional system New Spotlight boxes introduce you to key issues such as immigration and detention and the opioid addiction epidemic Updated references statistics court rulings and data help you understand the latest trends in correctional practices **National Institute of Justice Reports** ,1991 **Federal Regulatory Directory** CQ Press,2013-11-04 The Federal Regulatory Directory Sixteenth Edition continues to offer a clear path through the maze of complex federal agencies and regulations providing to the point analysis of regulations Information packed profiles of more than 100 federal agencies and departments detail the history structure purpose actions and key contacts for every regulatory agency in the U S government Now updated with an improved searching structure the Federal Regulatory Directory continues to be the leading reference for understanding federal regulations providing a richer more targeted exploration than is possible by cobbling together electronic and print sources **Routledge Handbook on American Prisons** Laurie A. Gould,John J. Brent,2020-11-01 The Routledge Handbook on American Prisons is an authoritative volume that provides an overview of the state of U S prisons and synthesizes the research on the many facets of the prison system The United States is exceptional in its use of incarceration as punishment It not only has the largest prison population in the world but also the highest per capita incarceration rate Research and debate about mass incarceration continues to grow with mounting bipartisan agreement on the need for criminal justice reform Divided into four sections Prisons Security Operations and Administration Types of Offenders and Populations Living and Dying in Prison and Release Reentry and Reform the volume explores the key issues fundamental to understanding the U S prison system including the characteristics of facilities inmate risk assessment and classification prison administration and employment for profit prisons special populations overcrowding prison health care prison violence the special circumstances of death row prisoners collateral consequences of incarceration prison programming and parole The final section examines reform efforts and ideas and offers suggestions for future research and

attention With contributions from leading correctional scholars this book is a valuable resource for scholars with an interest in U S prisons and the issues surrounding them It is structured to serve scholars and graduate students studying corrections penology institutional corrections and other related topics      **Research Handbook on Violent Crime and Society** Wendy Regoeczi, Terance Miethe, 2025-09-10 This comprehensive Handbook examines the various forms of violence that occur within and across societies It explores the multiple psychological sociological and environmental causes underlying violence as well as the nature of its distribution across different social groups geographical areas and time periods      Data Resources of the National Institute of Justice National Institute of Justice (U.S.), 1996      **The U.S. Federal Prison System** Mary Bosworth, 2002 Despite the fact that 160 000 people are locked up in our federal correctional facilities practical information about the federal prison system remains difficult to locate While some information may be found scattered on the Internet in directions given at court or through shared personal experience there is no single source available that is a collection of all available information The U S Federal Prison System is the first comprehensive book to include official prison policies first person accounts from prisoners and information about each federal facility Now published in paperback The U S Federal Prison System is perfect for classroom use as it interweaves the academic study of incarceration with a survey of government reports on prison policy Organized into two parts this book is an accessible text on the current U S federal prison system Part I is an introduction to federal prison facilities including key statistics and views from the inside provided by inmates of federal prisons Part II is a look at the Federal Bureau of Prisons policies on various matters such as discipline education visits and religious practices Key Features A thorough overview of both prison policies and the federal facilities themselves with photos of selected prisons Part II consistently organizes historical background information followed by an account of current policies with specific federal rules and regulations governing the policies to conclude each topical discussion Appendix A is the first comprehensive listing of every Federal prison in the U S complete with facility details and service information Commentary from prisoners first person accounts take the reader behind the walls The U S Federal Prison System is an ideal text for students studying corrections and penology in Criminal Justice Criminology Law Social Work Psychology and Sociology This book is also an excellent resource for families of inmates researchers and the general public      *Corrections* National Institute of Justice (U.S.), 1987      The Shadow of Childhood Harm Behind Prison Walls Nancy Wolff, 2023 In The Shadow of Childhood Harm Wolff using a balance of compassion and evidence takes readers through the lives of people who end up inside prison Guided by the words of those who have lived the experience of harm she weaves an expansive body of research that lays bare the harm that began in childhood the curse and its subsequent shadow that later during adolescence and adulthood manifests as harm to self and others eventually culminating in crime that results in incarceration where harm there once again repeats like a bad dream      **Using Social Science to Reduce Violent Offending** Joel Alan Dvoskin, 2012 Bringing together experts in the fields of social science forensic psychology and criminal justice Using Social Science to

Reduce Violent Offending addresses what truly works in reducing violent offending promoting an approach to correctional policy grounded in an evidence based and nuanced understanding of human behavior

**Partial Justice** Nicole Rafter, 2017-07-05 Contemporary Research on crime prisons and social control has largely ignored women Partial Justice the only full scale study of the origins and development of women s prisons in the United States traces their evolution from the late eighteenth century to the present day It shows that the character of penal treatment was involved in the very definition of womanhood for incarcerated women a definition that varied by race and social class Rafter traces the evolution of women s prisons showing that it followed two markedly different models Custodial institutions for women literally grew out of men s penitentiaries starting from a separate room for women Eventually women were housed in their own separate facilities a development that ironically inaugurated a continuing history of inmate neglect Then later in the nineteenth century women convicted of milder offenses such as morals charges were placed into a new kind of institution The reformatory was a result of middle class reform movements and it attempted to rehabilitate to a degree unknown in men s prisons Tracing regional and racial variations in these two branches of institutions over time Rafter finds that the criminal justice system has historically meted out partial justice to female inmates Women have benefited in neither case Partial Justice draws in first hand accounts legislative documents reports by investigatory commissions and most importantly the records of over 4 600 female prisoners taken from the original registers of five institutions This second edition includes two new chapters that bring the story into the present day and discusses measures now being used to challenge the partial justice women have historically experienced

*American Corrections* Barry Krisberg, Susan Marchionna, Christopher Hartney, 2014-09-12 American Corrections Concepts and Controversies by Barry Krisberg Susan Marchionna and Chris Hartney presents an incisive view of every aspect of corrections including jails probation sentencing prisons and parole prompting students to think critically about the complex issues involved in responding to the current crisis in the U S correctional system Incorporating theory research and the most recent available data the book takes a contemporary and issues oriented approach as it explores the most interesting and progressive developments in correctional policy and practice Students will come away with practical knowledge as well as a framework for thoughtful analysis of a subject that can seem mysterious or impenetrable In addition the book covers subjects many corrections texts treat only minimally including women in corrections the death penalty and special populations Perhaps most importantly the book offers a point of view on what is plaguing the American correctional system and a realistic look at the solutions that offer real promise

*The Oxford Handbook of Environmental and Conservation Psychology* Susan D. Clayton, 2012-10-18 First handbook to integrate environmental psychology and conservation psychology
