German Short Stories Patrick Haul, 2019-09-23 German Short Stories This Includes 3 Manuscripts in 1 Learn German with Stories the Entire Set from Beginner to Advanced Learning a new language can be extremely difficult Especially one that seems so challenging With its complex grammar rules and strange sounds it can discourage anyone willing to give the German language a try On top of that today's society has made tight schedules a part of everyone's lives Taking a German class might just not be possible for some of us Still there's no need to worry In my opinion the best way to learn any language is by reading or listening to stories This book contains 3 manuscripts with 3 difficulty levels beginner intermediate and advanced This offers you the chance to develop your German speaking skills to an expert level in your own pace The German language has become extremely valued in the modern era Being able to have a conversation in German can earn you a lot of praise and really set you apart from the rest of the crowd Inside this book you can discover 11 German stories for beginners 12 German stories for intermediates 10 German stories for advanced A German English vocabulary after each story Short questions for an improved text comprehension Common words you can actually use in day to day conversations An entire chapter dedicated to essential words numbers days months etc An entire chapter dedicated to phrases and expression you can use in various everyday situations A short lesson after each beginner story which puts the entire story in perspective and helps you follow its content much easier A secret lesson after each intermediate story which you can use to improve your life A summary after each advanced story which helps you understand the narrative even better Every skill takes time to master learning German is no exception However you can reduce the learning curve by taking the right approach By immersing yourself in these stories you not only get more familiarised with common German expressions but you get to do it in an entertaining and enjoyable way If you want to improve your German in only a few minutes a day then scroll up and Order now

Practical Lessons in German Conversation Albert L. Meissner, 1888

Using German Vocabulary Sarah M. B. Fagan, 2004-05-27 This textbook provides a comprehensive and thematically structured vocabulary for students of German Designed for all but the very beginning levels of undergraduate study it offers a broad range of vocabulary and is divided into 20 manageable units dealing with the physical social cultural economic and political world The word lists are graded into three levels that reflect difficulty and likely usefulness and are accompanied by extensive exercises and activities designed to reinforce work done with the lists and to increase students competence in using the vocabulary Suitable for both classroom teaching and private study the exercises also make use of authentic German texts enabling students to work with the vocabulary in context Clearly organized and accessible Using German Vocabulary is designed to meet the needs of a variety of courses at multiple stages of any undergraduate programme
