El-Hi Textbooks & Serials in Print, 2003, 2003 *Sincerely, Alice Johnson* Alex Rousse, 2012-10 Shortly after my last entry the town of Irondequoit was taken over by the United States Armed Forces People in black camouflage uniforms were up and down every street marching in synchronization Occasionally they will hand off their position to another member of the troop but otherwise the streets are constantly combed through for escapees My father and I are scared for our lives though Dad thinks he could help start a revolt against them One minute I m listening to my ratty old iPod and the next I have these guys busting down my door Guards were storming in uninvited capturing the both of us Two guards held on to me and my dad while the other two ran throughout the house collecting all of my stuffa A second guard came from behind them and pulled out his gun from his holster I opened my mouth to warn them but it was too late The two guards ganged up on the three of them and emptied their guns into the triplets bodies Blood was trickling down the fronts of their faces forming a small crimson pool around their heads And then right there I vowed that I in memory of Jeremy Peter and Shaun would survive through this crisis the USAF had in store for Irondequoit if it was the last thing I could do Sincerely Alice Johnson
