

NISSAN

EXCELLENCE. WITHOUT COMPROMISE.

FOREWORD

When Nissan introduced the first car, the Datsun 100, in 1913, it was a small, simple car. But over the years, it grew into a car that was as sophisticated and technologically advanced as the most modern cars in the world. Today, Nissan is a global leader in the automotive industry, with a reputation for innovation, quality, and performance. This book is a testament to the success of Nissan and the dedication of its employees. It is a story of a company that has grown from a small startup to a global leader, and it is a story that is still being written.
