Krueger, 2008-08 When the preacher rode into the gold camp he knew his work was cut out for him It was a world filled with wickedness and greed and He knew he would not be able to build a church here without God's help To Frenchy he was a man unlike any she had ever known To give all that he had and ask for nothing in return made no sense and she was determined to find out what made this man tick To Nick he was a problem that had to be eliminated before he ruined the world he had created The story of these conflicting lives was played out beneath the majestic peaks of the Rocky Mountains and only God himself could know the dramatic events that would resolve the conflicts of lives on a collision course For nearly 40 years I have been fascinated by the mining history of my state I have visited many of the old mining camps and sought out the history of the colorful people that lived in those places In so doing I discovered a world of high adventure and larger than life characters that once lived in those remote mountain locations To gain a more intimate knowledge of that world I worked in the mining industry One summer several of the miners agreed in pray that even tough and independent men like the ones that worked in our mines could be saved God answered our prayers and over the summer many gave their lives to Christ It made me wonder what it would have been like if a man of God had determined to bring revival to one of those notorious gold camps This story is the result of that idea *Follow the Bible* David C Cook, 2018-05-04 These lessons help young readers increase their vocabulary of Bible words believe that the Bible is God's Word use Bible references to find Bible verses and celebrate their new knowledge A 52 Week Bible Journey Just for Kids Route 52 is a Bible based journey that will take kids through the Bible every year from age 6 to 8 Every lesson features Scripturally sound themes Culturally relevant hands on activities Age appropriate Bible learning challenge Reproducible life application activity pages Route 52 Bible lessons will help kids learn the Bible and how to apply it to their lives at their own level of spiritual development These reproducible Bible lessons are appropriate for Bible school children's church youth group kids club and midweek Bible study programs *Gospel Portraits* K. Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These challenges are related to the church's participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges Because Scripture is revered as God's word this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel Gospel Portraits addresses the intersection of mission and hermeneutics for churches within their local contexts Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God this book proposes that churches should read the Bible as a Christ centered and kingdom oriented narrative This reading of

Scripture allows churches to reimagine how they might embody the gospel within their local contexts. Discerning what a contextual embodiment of the gospel involves, churches portray God's new creation in ways that are coherent with the biblical story and relevant to their local context. In doing so, churches live as Christ-formed and Spirit-led communities, portraying the gospel.
