NCLEX Testing for the LPN to RN Completion Program
Academic Year 2020-2021 (Updated 12/1/2020)

Students applying for the LPN to RN Completion Option at NHTI – Concord's Community College are required to complete the National Council Licensure Examination for Registered Nurses (NCLEX-RN). Nursing candidates must pass the NCLEX-RN exam in order to practice as a registered nurse in the United States.

Students are responsible for reviewing the NCLEX Student Guide for Online Testing (PDF) and following the directions to create their NCLEX Student Account.

Students will receive a **minimum decision score of 75 on Saybrus** to be considered for admission into the program.

The NCLEX-RN includes questions related to nursing care in many health environments and with people across the lifespan. NCLEX-RN questions are often described as "case studies" or "nursing scenarios." They reflect the current approaches for providing safe nursing care. The purpose of the NCLEX-RN is to help ensure that the public is protected as follows:

1. Assessing – includes collecting physical, psychosocial and cultural data; and recognizing signs, symptoms and indicators.
2. Analyzing – includes interpreting data, identifying client needs and making nursing diagnoses.
3. Planning – including setting goals, selecting interventions for care and identifying correct techniques for giving care.
4. Implementing – use basic nursing knowledge appropriately in clinical needs for nursing care and safety, effective communication skills, health promotion and/or prevention.
5. Evaluating – including recognizing unexpected and unintended effects of treatments and interventions, determining evidence of client's compliance with treatment plans and documenting evidence of client's response to treatment and interventions.

How to Register:

The exam will be administered on-line by the NCLEX testing Provider, Pearson Vue, approximately 6 weeks prior to the start of the program. Examinees will be required to create a new NCLEX Student Account and register for the NCLEX-RN EXAM. Examinations will be held at the NCLEX provider.

The exam can be taken up to three (3) times per year. Each examinee must wait a minimum of 90 days between testing attempts. Examinees may select their own exam date. However, it is the responsibility of the student to schedule their exam prior to the application deadline and following these instructions. Please note that some seats will be available for up to 21 days only.

Examinees will use **NHTI's assigned URL link to create your NCLEX Student Account.** This link is provided via Email, pages and Web announcements. Your NCLEX user ID and Password, as well as the examination fee, is NOT issued by NHTI, rather by many methods the student is required to register their own exam.
