No Certainty No Peace:

None Other Krishna Baldev Vaid, 2017-03-29 Vaid fluidly describes the violent turns of an emotional kaleidoscope India Today None Other conjures a vivid portrait of a man who is old alone and dying Trapped in his house consumed with lust shame and loathing he scribbles his frenzied ramblings in his notebooks But what begins as a bitter tirade transforms into an anguished meditation on loneliness and the quest for solace In Here I Am if I Am translated into English for the first time a hunchback at a desolate roadside contemplates the precariousness of his own existence even as his tormented mind unravels Hypnotic and unsettling Vaid s highly innovative novellas expertly explore some of our biggest anxieties the fear of abandonment the treachery of memory the uncertainty of life and the imminence of death **Rainbows and Lollipops**

Melinda Walker, 2014-04-16 Melinda Walkers life took a traumatic turn when she was just twelve years old She was groomed and eventually raped by a trusted family friend and the experience changed her forever Her young life was turned upside down by those experiences and as she grew older she began to realise that they affected everything and everyone in her life as well Rainbows and Lollipops is her raw and honest account of survival recovery and empowerment She does not shy away from uncomfortable topics or overdramatise these events She does not pretend that her life was a bed of roses Rather she offers candid insight into her life considering how it was changed when the darkness fell over her and how she has risen above to thrive again As an adult she has discovered a better and more resourceful way to heal herself and her relationships She is proof that trauma does not have to destroy a life permanently With the right support she was able to move beyond the darkness build resilience and create her own new and remarkable life story and so can you By changing her language her attitude and her thoughts Melinda turned her life around Now she lives a life driven by meaning and purpose one in which she encourages other survivors to believe in the healing power of hope **No Peace with Rome: Together with the**

The Tragedy of Almightyness encircles the theme of human yearning for omnipotence as expressed in religion and various ideologies. The central question revolves around the matter of what in pursuing such an extreme power of the will man seeks to achieve. While exploring the question a thought provoking link is made between religion and atheism between the Biblical longing for God's promise and the Marxist appeal for man to realize that same promise. Omnipotence must vouch for the fulfilling of the promise for justice and for man's dream of redemption. However that is not where it ends. The longing for salvation turns out to have a dangerous reverse side to it because it encourages a turning away from the actual world and the all pervading evil. Omnipotence also facilitates the avenging of such evil. History has shown what this kind of yearning can lead to. The book demonstrates how modernity translates Biblical longings into ideologically justified revengefulness. The description of this process leads to a plea for renewed ethical purpose in life. It is a challenge that also extends to religion. Hence the reason that it is necessary to depart from the idea of omnipotence.
