No Ghosts In This City And Other Short Stories:

No Ghosts in This City Uddipana Goswami, 2014-05-08 Twelve short stories about everyday life and the political realities of Assam. My stories say the author is a lot about darkness but they are also about the small sparks of light that occasionally dispel the demons in our souls. In this collection a doctor's comfortable existence in a tea estate is rudely shattered by violent conflict; a daughter reflects on the futility of rebellion; and children discover how shockingly little time it takes to go from joking to being thrown headlong into bloody carnage. Sharp and eloquent, Uddipana Goswami's stories bring into harsh focus how interwoven political violence is with everyday life. Published by Zubaan. **The Kansas City Public Library Quarterly** Kansas City Public Library (Kansas City, Mo.), 1907. **The Complete Short Stories of Charles Dickens: 190+ Titles in One Volume (Illustrated Edition)** Charles Dickens, 2023-12-23 The Complete Short Stories of Charles Dickens 190 Titles in One Volume is a curated anthology that showcases the breadth of Dickens's literary genius through a remarkable collection of over 190 short stories. Ranging from masterful social critiques to whimsical sketches, these narratives reflect Dickens's ability to blend humor with poignant observations of Victorian society. His distinctive style, characterized by vivid characterizations and intricate plots, captures the complexities of human nature and the stark realities of his time. The inclusion of illustrations further enriches the reading experience, bringing to life the vibrant world Dickens inhabited. Charles Dickens, one of the most celebrated writers of the Victorian era, is known for his deep empathy and social concern, which profoundly shaped his storytelling. Raised in a poor working-class family, Dickens's experiences of hardship and social injustice fueled his enduring commitment to reform and shaped the characters and settings within his stories. His earlier works, including serialized novels, often explored themes of poverty, child labor, and class struggles, which resonate powerfully throughout his shorter pieces, inviting readers into a world that blends reality and imagination. This anthology is a must-read for anyone interested in the evolution of short fiction and the social fabric of Dickens's time. It serves both as a timeless collection for devoted fans and an accessible entry point for new readers seeking to appreciate the intricate craftsmanship of one of literature's greatest figures. Delve into this richly illustrated volume and discover the myriad emotions and insights contained within the pages of Dickens's unforgettable tales. **The Ghostly and the Ghosted in Literature and Film** Lisa B. Kröger, Melanie Anderson, 2013-03-14 The Ghostly and the Ghosted in Literature and Film Spectral Identities is a collection of essays expanding the concepts of ghost and haunting beyond literary tools used to add supernatural flavor to include questions of identity, visibility, memory, and trauma and history. Using a wide scope of texts from varying time periods and cultures, including fiction and film, this collection explores the phenomenon of social ghosts. What does it mean, for example, to be invisible, to be a ghost, particularly when that ghost is representative of a person or group living on the margins of society? Why do specific types of ghosts tend to haunt certain cultures and/or places? What is it about a people's history that invites these types of hauntings? The essays in this book, like pieces of a puzzle, approach the larger

questions from diverse individual perspectives but taken together they offer a richly detailed composite discussion of what it means to be haunted

City of the Undead Robin Ann Roberts, 2023-09-13 From its looming above ground cemeteries to the ghosts believed to haunt its stately homes New Orleans is a city deeply entwined with death the undead and the supernatural The reasons behind New Orleans's reputation as America's most haunted city are numerous Its location near the mouth of the Mississippi River grants it a liminal status between water and land while its Old World architecture and lush moss covered oak trees lend it an eerie beauty Complementing the city's mysterious landscape spiritual beliefs and practices from Native American African American Caribbean and European cultures mingle in a unique ferment of the paranormal An extremely high death rate in the eighteenth and nineteenth centuries and a long history of enslavement and oppression have also produced fertile soil for stories of the undead Focusing on three manifestations of the supernatural in New Orleans Voodoo ghosts and vampires Robin Roberts argues that the paranormal gives voice to the voiceless including victims of racism and oppression thus encouraging the living not to repeat the injustices of the past
