No God In Sight:

No God in Sight Altaf Tyrewala, 2011-03-18 Fast paced and innovative No God in Sight captures the seething multiplicity of Bombay through the first person accounts of an abortionist a convert a pregnant refugee a gangster in hiding a butcher and an apathetic CEO among others As the reader is hurtled from monologue to short story to anecdote disparate lives collide in tantalizing ways A family flees religious persecution in their village to take refuge in an urban slum women walk the tightrope of free will and dormant violence a father and son grant each other the relief of estrangement and young men and women struggle to comprehend the consequences of sexual attraction Insightful ironic and scathingly honest No God in Sight is a brilliant debut by a talented young writer

As Calves Leap Out of Religion Timothy F. Stevens, 2007-10-24 Cow religion of any brand chews its cud of regurgitated tradition in an endless generational cycle tethered to the dark ignominy of knowledge without light a shell without the substance of liberating faith and an earth bound centric spirit that strains against its chafing delusions until the Liberator severs this bondage from off the human spirit Out of Religion is out as in escape and out as in expire Gleaned from the ancient writings of the Prophet Malachi As Calves Leap has universal current relevance and modern adaptation for all readers There is a hidden calf in all of us who strain against the chafing deep questions of Who am I Why am I here Is this life it What happens after death Blessed are you if this describes you for you strain with a God given hunger for reality and you will never go unnoticed by the One who gives the WOW spiritual reality You will have found your missing parent and He will have found you As calves leap you will be one of them

Signs of New Life Joseph Ratzinger, 2020-05-06 At life s many crossroads the sacraments of the Church Baptism Confirmation Confession Holy Eucharist Matrimony Holy Orders and Anointing of the Sick bring people into contact with the saving work of God In this collection of homilies Joseph Ratzinger Pope Benedict XVI explains these celebrations of the Church and shows how they always offer an opportunity to announce our faith in Christ and to deepen our understanding of it Ratzinger endeavored as a theologian to develop an understanding of the sacraments that would help to make participation in them and in the Paschal Mystery more fruitful Many of these homilies connect the sacraments with a profound interpretation of Scripture The scriptural passages interpreted in each homily are listed at the beginning of the chapter so that this volume can also be used for scriptural meditation Since the Church herself is both a sacrament that is a sign of God s saving action in the world and the place where the sacraments take place two of the chapters are about the Church the body of believers where God dwells

Divine Providence and Human Agency Alexander S. Jensen, 2016-05-13 Divine Providence and Human Agency develops an understanding of God and God s relation to creation that perceives God as sovereign over creation while at the same time allowing for a meaningful notion of human freedom This book provides a bridge between contemporary approaches that emphasise human freedom such as process theology and those influenced by it and traditional theologies that stress divine omnipotence This book argues that it is essential for Christian theology to maintain that God is ultimately in charge of history otherwise there would be no solid grounds for Christian hope Yet the modern human self understanding as free agent within certain limitations must be taken seriously Jensen approaches this apparent contradiction from within a consistently trinitarian framework Jensen argues that a Christian understanding of God must be based on the experience of the saving presence of Christ in the Church leading to an apophatic and consistently trinitarian theology This serves as the framework for the discussion of divine omnipotence and human freedom On the basis of the theological foundation established in this book it is possible to frame the problem in a way that makes it possible to live within this tension Building on this foundation Jensen develops an understanding of history as the unfolding of the divine purpose and as an expression of God s very being which is self giving love and desire for communion This book offers an important contribution to the debate of the doctrine of God in the context of an evolutionary universe
