No Good Turn Goes Unpunished:

No Good Deed Goes Unpunished Mike Chase, 2013-02-01 Driving home from work on a stormy night in May contractor Mitch Cones witnesses a passing car plunge into the flooding waters of a Missouri river His hasty decision to attempt a rescue draws him into an unfamiliar world of misconception fear and ultimately pure survival As a rapidly escalating series of consequences resulting from his good deed unfold he tries to make sound decisions based on incomplete and sometimes faulty information With his world crumbling around him right and wrong good and evil and even friend and foe become harder to ascertain Faced with hard choices to enigmatic questions he is finally forced to dig deep into his spirit to find the resolve required to deal with his situation The wide ranging character traits exhibited by the people he encounters during his odyssey are testimony to the diversity of human nature Realizing the power of the forces arrayed against him he implements an unconventional plan to escape from his dilemma

No Good Deed Goes Unpunished William Brinn, 2014-04-29 Mike Grissom is an easy going fellow enjoying the sun and laid back lifestyle of Southern California His married neighbor Stephanie is constantly trying to set him up with her friends believing that he doesn't get enough opportunities to meet women Despite her best intentions they never seem to work out Veronica Ronnie Lange is an actress whose fiancé gets cold feet two weeks before their big Santa Barbara wedding Distraught she inadvertently puts herself in a perilous situation and it's Mike who saves her from danger His helpful attitude and good natured charm appeal to her but a communication mix up with her best friend Jessica leads her to assume that he's a deceitful liar Upset at believing that she has been misled she vows that she never wants to see him again But a chance meeting with him gives her the opportunity to get revenge through a spiteful deed leaving Mike downhearted Upon discovering her mistake and realizing that she has treated him badly she is afraid to apologize to him But she knows that if she doesn't find the courage to make amends she'll be left with nothing but regrets Through a good deed that he does for another person she may discover a way to regain Mike's trust before it's too late with the hope that he can find it in his heart to forgive her

No Good Deed Goes Unpunished Eli Maxwell, 2022-11-03 This journal is a few hundred pages of unpopular opinion I wrote this ball of rage between 2014 2016 and I planned to give to my gender studies professor after I took her class When I left her class I noticed that there's a lot of misleading information about people that disagree with feminists and feminism and this book will help demystify some of those notions I may have written this book for her but I believe it can help others as well The 1st group of people that this book will help are people that don't like feminists and feminism you'll agree with almost everything I have to say trust me you're not alone This book is full of red pills you're going to love it The 2nd group of people are people that are on the fence about feminists Yeah feminists may have told you the dictionary definition of feminism and you might have heard some things about the feminist movement but you're still not quite sure what to make of them I think you will gain the most from what I went through I will show you the tactics some feminists use to get what they want These are all things you should know

before you engage with any feminist The 3rd group of people are the people that don't understand why so many people have such hard opinions on feminism and feminists Hopefully this book will help you understand where the first group of people are coming from I use jokes satire and personal experiences to bring levity to this hot topic issue I don't want to tell you what to think I want to show you what I went through so you can make up your own mind and even if you disagree with me I hope you enjoy the ride Now onto the 4th group these are the feminists that are vexed and can't figure out why so many people dislike feminism and why feminists can't crack 18 percent of the population I think you will benefit the most from what I have to say I'm not going to berate you or attack you I'm just going to make my claims on why I disagree with your dogmatic ideology and hopefully you can respect that I really want you to understand where I'm coming from and maybe we can build a bridge from there Now on to the big mama of them all the 5th group if you are the type of feminist that believes everything is sexist and everything is racist and every man is a misogynist Put this book down you are going to have a bad time I deconstruct almost everything you believe in with ruthless and logical precision and I know for a fact that this book is going to trigger you into oblivion Hell you might even do something crazy like set this book on fire and I don't want to see my book set a blaze So save your money save your time and continue to smash the patriarchy But to the other 4 out of 5 of you crack open a beer or pour a glass of wine and enjoy my descent into madness
