*Jacob's Star* Victoria Blue,2023-04-18 A love like ours doesn't just disappear Even if she had Jacob Cole is on a career high With his renowned architectural skill he landed the contract of a lifetime Designing the most prominent building in the LA skyline should have him on top of the world But missing the woman of his dreams the one who got away has left a cavern in his heart Cassiopeia Shark is the woman with it all Beautiful intelligent driven and wealthy the world is her oyster Even the daughter she's single handedly raised is the apple of everyone's eye She can have any man she wants Except the one she ghosted nine years prior When the two reunite will their love still be as undeniable as it was before Or will their lives be too different now and their only commonality is their child Trying to appease their extended family members seems to be their biggest challenge until the unthinkable happens and they face every parent's worst fear Are their years of history enough to strengthen their current relationship so they can endure this heartbreaking nightmare Blood of Zeus Meredith

Wild,Angel Payne,2020-08-25 An ancient grudge A forbidden love The only thing worse than being a demon is being a Valari As an undergraduate at Los Angeles's Alameda University Kara Valari can sometimes succeed at forgetting she's both Lost between the pages of the classics and tucked into the shadows of lecture halls she can dodge the paparazzi's lenses as well as her family's publicized dramas not to mention their private expectations She has one more year to feed her true passions Then she'll be expected to fulfill a much darker destiny Cursed with inexplicable strength and godlike stature literature professor Maximus Kane knows all about darkness Every day he's reminded of the missteps of his childhood and the devastating consequences they've had on those dearest to him To atone Maximus spends his nights alone and his days submerged in the quiet life of academia His existence has become a study in control and he's become a master at it until Kara Valari walks into his toughest course Viscerally Kara's everything he craves Logically she's everything he rejects She's a starlet of privilege She's also a student And after one touch he can't deny that she's awakened something in him that may never go dormant Nothing about her makes sense but everything about her feels right Especially in the deepest strands of his DNA which are still shadows of mystery to him a mystery Kara seems determined to uncover She's Hollywood royalty She

s forbidden fruit And he s pretty sure she could be the answer to everything **Heart of Fire** Meredith Wild,Angel Payne,2020-12-22 He s forged from heaven She s promised to hell Professor Maximus Kane can no longer deny his passion for his stunning yet mysterious student Kara Valari But surrendering to their desires carries more consequences than just violating the Alameda University conduct codes Kara has defied her destiny Higher directives have been violated Now there s hell to pay It s a crisis for which there seems no solution until the explosive secrets of Maximus s bloodline are exposed Despite all his doubts and fears Maximus has no choice but to accept help from his enigmatic father which means coming to terms with his heritage and embracing a bizarre new world of gods and demons Because somewhere in that world in the strange and sordid secrets surrounding his past is the key to protecting Kara s future Nothing has ever meant more to him than saving the treasure of her life and the fire of her heart While earth s lower realms seek payback for Kara s transgressions Kara finds a new ally in a surprising place the Valari matriarch herself Beneath the scrutiny of the world press Veronica orchestrates a plan to protect her daughter by doing what she does best shining the spotlight on her But by her side Maximus can t escape the glare of the paparazzi Can they buy time and blind their enemies with Kara s fame Or will Hollywood s new it couple and their forbidden love incite more vengeance than they d ever bargained for **Jacob's**

**Eclipse** Victoria Blue,2023-08-29 Living their worst nightmare while chasing their happily ever after Cassiopeia Shark is living every parent s nightmare Her child is missing and keeping the two men she loves the most from pointing fingers and tearing each other apart could get in the way of finding her Jacob Cole finally has his family together and is ready to build a life with the woman he s loved for over a decade That is if their families can stay out of the way and trust they re making the right choices The hunt is on for the man responsible for kidnapping their precious daughter and to finally fit the pieces together that make up the complicated puzzle of the Shark s Edge series The final book in the captivating series about the life of Sebastian Shark and those surrounding him will answer questions tug at hearts and of course heat up the bedroom

Fate of Storms Meredith Wild,Angel Payne,2021-05-04 A stolen destiny An impossible quest Kara Valari has broken one of the underworld s highest laws and is serving the ultimate sentence But nothing not even the impossible quest of breaching the boundaries of hell and facing off with Hades himself will keep Maximus Kane from rescuing her The journey will demand all of Maximus s courage and help from an unlikely guide Driven by love he sets off into a dark realm he only knows from the tattered pages of Dante s Comedy In hell s bleak world every part of Kara s soul is subjected to Hades s morbid fascination and merciless assault Giving in to his demands means sharing the intimate details of why she dared to disobey him a love for Maximus that even now burns on in her heart Just when Kara resolves herself to an eternity of her nightmare she discovers a glimmer of hope a way to glimpse her beloved Could her visions of Maximus unite them once more or are they just another twisted punishment for her in a kingdom designed for agony In those fleeting moments of light and passion Kara rekindles her fight to survive Darkness may still separate her from Maximus but they re connected by fate But can their love survive
