Lansford**

Obama In The Drudg Report:

The Obama Presidency Robert P. Watson, Jack Covarrubias, Douglas M. Brattebo, Tom Lansford, 2012-07-01 Lively and engaging essays covering President Obama's domestic and foreign policy governing style and character Barack Obama Burton I. Kaufman, 2022-03-15 In this insightful biography Burton I. Kaufman explores how the political career of Barack Obama was marked by conservative tendencies that frustrated his progressive supporters and gave the lie to socialist fearmongering on the right Obama's was a landmark presidency that paradoxically Kaufman shows resulted in few if any radical shifts in policy Following his election President Obama's supporters and detractors anticipated radical reform As the first African American to serve as president he reached the White House on a campaign promise of change But Kaufman finds in Obama clear patterns of classical conservatism of an ideological sort and basic policy making pragmatism His commitment to usher in a multiracial multiethnic and multicultural society was fundamentally connected to opening up but not radically altering the existing free enterprise system The Affordable Care Act arguably President Obama's greatest policy achievement was a distillation of his complex motivations for policy More conservative than radical the ACA fitted the expansion of health insurance into the existing system Similarly in foreign policy Obama eschewed the use of force to affect regime change Yet he kept boots on the ground in the Middle East and supported ballot box revolts geared toward achieving in foreign countries the same principles of liberalism free enterprise and competition that existed in the United States In estimating the course and impact of Obama's full political life Kaufman makes clear that both the desire for and fear of change in the American polity affected the popular perception but not the course of action of the forty fourth US president

The Obama Effect Heather E. Harris, Kimberly R. Moffitt, Catherine R. Squires, 2010-09-20 November 4 2008 ushered in a historic moment Illinois Senator Barack Obama was elected the forty fourth President of the United States of America In *The Obama Effect* editors Heather E. Harris, Kimberly R. Moffitt and Catherine R. Squires bring together works that place Barack Obama's candidacy and victory in the context of the American experience with race and the media Following Obama's victory optimists claimed that the campaign signaled the arrival of an era of postracism and postfeminism in the United States This collection of essays all presented at a national conference to discuss the meaning and impact of the nomination of the first presidential candidate of African descent remind the reader that reaching a point in U.S. history where a biracial man could be deemed electable is part of a still ongoing struggle It resists the temptation to dismiss the uncertainty hope and fear that characterized the events and discourse of the two year primary and general election cycle and brings together multidisciplinary approaches to assessing the Obama effect on public discourse and participation This volume provides readers with a means for recalling and mapping out the enduring issues that erupted during the campaign issues that will continue to shape how our society views itself and President Obama in the coming years **Barack Obama, the Political Phenomenon** Didier Mumbata Ndongala, The aim of this book is to bring into focus the most exciting and complex

presidential campaign which for the first time revealed to the world Barack Hussein Obama as an extraordinary politician. This is not a biography of the man who became the 44th President of the United States of America. On the contrary, this book is the absolutely true story of the most remarkable leader of the electoral campaign, a man whose intellectual and political gifts prevailed and set him apart as a political genius. Barack Obama won the presidency even though unfavorable circumstances made him less likely to be president of the United States of America, being an African American, the son of a non-American from Kenya, having a strange name for an American, being married to a woman of slave ancestry, having served only four years as a United States Senator. Imagine that before his speech at the 2004 Democratic convention, more than half of all Americans either didn't know him or had never heard of him. This book explains explicitly how this African American survived and convinced all the peoples of the world that he was the one they were waiting for and why the American people chose him as President of the United States of America at a crucial moment of the financial crisis, despite all the disadvantages that weighed on him. Barack Obama has truly shaken up the world. With this achievement, he has definitely proved that anyone, not just rich boys from the upper classes, can become president. Besides the book *The Political Phenomenon*, is the most nuanced account of the most exciting presidential campaign in American history, including not only the highlights but also how the campaign became truly dramatic with all the problems, conflicts, and achievements. In general, the rest of the world doesn't pay too much attention to the primaries until the two main candidates have emerged. But this time it was different. From Paris to Kinshasa, from Copenhagen to Melbourne, people stayed up late already in the beginning of 2008, waiting for the results of the American presidential primary season. And finally, this book captures the essence of one of the most extraordinary leaders of our time and the process by which he became, without any doubt, a political phenomenon.

Obama's Time Morton Keller, 2015. This pioneering attempt at a historical perspective on the Obama presidency examines Obama's presidential persona and governing style, his domestic and foreign policies, and his place in the larger context of modern American politics. It explores the reasons for the gap between what he sought and what he achieved and the larger political context in which this story unfolded.

The Obama Haters John Wright, 2011-04-30. On November 4, 2008, the election of Barack Hussein Obama as the forty-fourth president of the United States showed that the country had finally overcome its most hurtful, shameful, and enduring legacy: slavery. Though Obama's election showed progress, the John McCain-Sarah Palin campaign and the Republican Party used age-old smear campaign tactics. Their operators pulled out all the stops in an attempt to win and spread falsehoods about Obama that have only multiplied after the election. *The Obama Haters* seeks to answer the following questions: Who are these Obama haters? Why do they despise him? Why do various news organizations, commentators, and political entities treat the same facts differently? Why are these pundits so powerful? In order to do so, Wright first lays out the democratic principles and civility toward which Americans should strive. Next, he investigates the persistent expressions of hatred for President Obama, connecting historic antecedents of political

mudslinging along with the background of virulent right wing smear tactics over the past two decades And finally he shines a harsh spotlight on the haters and fearmongers and their tactics While Americans have the right to criticize their political leadership their reasons for disapproval should be based on facts Those who invent and repeat lies to hurt the reputation of leaders weaken the democratic ideal This book is for anyone who wishes to learn how to cut through the hypocrisy and propaganda to make informed decisions based on truth

Obama Holds America Hostage John P. Hunter III, 2014-07-27

TREASON A Nation can survive its fools and even the ambitious but it cannot survive TREASON FROM WITHIN An enemy at the gates is less formidable for he is known and he carries his banners openly but the traitor moves among those within the gate freely His sly whispers rustling thru all the galleries heard in every hall of government itself For the traitor appears not as a traitor he speaks in the accents familiar to his victims and he wears their face and their garments He appeals to the BASENESS that lies in the heart of all men He rots the soul of a Nation He works secretly and unknown in the night to undermine the pillars of the city He INFECTS THE BODY POLITIC so that it can no longer resist A murderer is less to be feared Above says it ALL so heed its WARNING Race is not the issue here but FRAUD and TREASON is , **Obama and America's Political Future** Theda Skocpol, Larry M Bartels, Mickey Edwards, Suzanne Mettler, 2012-09-04

Obama's 2008 victory coming amid the greatest economic crisis since the 1930s opened the door to major reforms But he quickly faced skepticism from supporters and fierce opposition from Republicans What happened Skocpol surveys the political landscape to help us to understand Obama's triumphs and setbacks and see where we might be headed next

King's Dream: Barack Obama Becomes President of the United States of America Sherry Hutson, Lynn Lyons, 2012-06-01

Barack Obama and Leadership Joseph Andrews, 2012-07

How Did Barack Obama So Quickly Squander the Goodwill of the Nation and the World In Barack Obama and Leadership 10 Reasons the 44th President Squandered Unprecedented Goodwill Joseph Andrews offers an insightful scholarly response to this question citing poignant facts statistics and incisive documentation Andrews details both Barack Obama's election due to a campaign that promised hope and change as well as a presidency that delivered little change and left the hopes of far too many Americans unrealized Andrews pinpoints ten reasons why the Obama presidency has proven ineffective and deflated the confidence of the American people Executive Inexperience Lack of Appropriate Mentoring Questionable Integrity Misunderstood Mandate Aversion to Values Weak Governing Philosophy and more Strong leadership on the part of the President of the United States is important to Americans Barack Obama and

Leadership 10 Reasons the 44th President Squandered Unprecedented Goodwill paints a revealing portrait of a president whose weakness and shortcomings not only cost him the faith and goodwill of the nation but of the world as well In these pages find an engaging read that shines a revealing light on the shaping influences defining decisions actions policies and ultimately the legacy of President Barack Obama Joseph Andrews is an alumnus of Jerry Jenkins Christian Writers Guild and a member of the Christian Authors Guild Woodstock Georgia He is a member of the general leadership of World Outreach Missions WOM a globally oriented leadership and missions ministry in Lawrenceville Georgia He has an executive background in both human resource management and marketing As a leadership resource person his interests are in transformational leadership and the principles that engender this in organizations and societies He lives in Lawrenceville Georgia with his wife Magdalene and their two children Joshua and Abigail *Obama and Kenya* Matthew

Carotenuto, Katherine Luongo, 2016-07-29 Barack Obama's political ascendancy has focused considerable global attention on the history of Kenya generally and the history of the Luo community particularly From politicians populating the blogosphere and bookshelves in the U S and Kenya to tourists traipsing through Obama's ancestral home a variety of groups have mobilized new readings of Kenya's past in service of their own ends Through narratives placing Obama into a simplified sweeping narrative of anticolonial barbarism and postcolonial tribal violence the story of the United States president's nuanced relationship to Kenya has been lost amid stereotypical portrayals of Africa At the same time Kenyan state officials have aimed to weave Obama into the contested narrative of Kenyan nationhood Matthew Carotenuto and Katherine Luongo argue that efforts to cast Obama as a son of the soil of the Lake Victoria basin invite insights into the politicized uses of Kenya's past Ideal for classroom use and directed at a general readership interested in global affairs *Obama and Kenya* offers an important counterpoint to the many popular but inaccurate texts about Kenya's history and Obama's place in it as well as focused thematic analyses of contemporary debates about ethnic politics tribal identities postcolonial governance and U S African relations

Demonizing a President Martin A. Parlett, 2014-08-28 This groundbreaking political exposé scrutinizes the motivations behind the unparalleled attacks on President Barack Obama that attempted to undermine his eligibility to lead the country The ascendancy of the first Black president was a watershed moment in American history In response Obama's adversaries engaged in relentless and systematic mudslinging throughout his campaign and well into his presidency othering him as a foreign and dangerous political figure Never before has a presidential candidate been so maligned by so many in such a variety of ways and yet won This provocative study investigates the unrest behind the Obama campaign and election and the controversial political machine that caused it Martin A Parlett himself a former campaigner for Barack Obama examines the role identity politics and racialization played in the anti Obama movement shows how foreignization is the latest tool for political dissent and discusses the ways in which Obama successfully used the outsider label to his own advantage The book questions the popular and often contradictory notions of Obama as illegitimate Muslim Marxist

Communist socialist Kenyan terrorist and angry African American Additionally chapters trace political marginalization and race throughout history from slavery to Reconstruction to the Civil Rights Movement concluding with the culture of distrust in the American political psyche since the events of September 11 2001 **Kabuki Democracy** Lomazoq Steven,Fettmann Eric,2011-07-12 In this agenda setting essay journalist and historian Eric Alterman explains what is really happening with the Obama presidency While Obama s many compromises have disappointed liberals Alterman argues that these concessions are largely due to **Selfie Democracy** Elizabeth Losh,2022-09-06 How politicians digital strategies appeal to the same fantasies of digital connection access and participation peddled by Silicon Valley Smartphones and other digital devices seem to give us a direct line to politicians But is interacting with presidential tweets really a manifestation of digital democracy In Selfie Democracy Elizabeth Losh examines the unintended consequences of politicians digital strategies from the Obama campaign s pioneering construction of an online community to Trump s Twitter dominance She finds that politicians who use digital media appeal to the same fantasies of digital connection access and participation peddled by Silicon Valley Meanwhile smartphones and social media don t enable participatory democracy so much as they incentivize citizens to perform attention getting acts of political expression Losh explores presidential rhetoric casting digital media as tools of democracy describes the conflation of gender and technology that contributed to Hillary Clinton s defeat in 2016 chronicles the Biden campaign s early digital stumbles in 2020 and recounts the TikTok campaign that may have spoiled a Trump rally She shows that although Obama and Trump may seem diametrically opposed in both style and substance they both used mobile digital media in ways that reshaped the presidency and promised a new kind of digital democracy Obama used data and digital media to connect to citizens without intermediaries Trump followed this strategy to its most extreme conclusion What were the January 6 insurrectionists doing as they livestreamed themselves and their cohorts attacking the Capitol but practicing their own brand of selfie democracy *Upside Down* Dan Meyer,2016-03-28 We the People have had it pretty good since WWII Our prosperity has resulted in our collective apathy toward the corrupt progression of what once were servants of the People into life long career politicians in Washington D C who have become our elite political ruling class Power corrupts and absolute power corrupts absolutely Today in our United States we have an all powerful central government enabled by a subservient media propelling our nation toward the living hell described in George Orwell s 1984 where truth cannot be found where freedom does not exist Upside Down clearly defines the immediate action We the People can and must take to restore what used to be our government of by and for the people If we choose to continue to sit on the sidelines and not get involved we will transition from apathy to dependence and out of that dependence will come the bondage from which we rose 239 years ago Networked Information Technologies, Elections, and Politics Jongwoo Han,2012-01-01 This book examines the changes in elections politics and democratic movements over the past decade marking a paradigm shift in political discourse Han reveals the impacts of networked information technologies and discusses how previously apolitical youth have

transformed into a cohesive voting bloc and formidable constituency **The Great Destroyer** David Limbaugh, 2014-10-14
Sean Hannity called it A must read book on the Obama administration s shameless pillaging of America Now updated with a new introduction previewing Obama s second term David Limbaugh s New York Times bestseller The Great Destroyer is more important than ever as a comprehensive indictment of Barack Obama s war on freedom prosperity and American power

Obama In The Drudg Report Introduction

In today's digital age, the availability of Obama In The Drudg Report books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Obama In The Drudg Report books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Obama In The Drudg Report books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Obama In The Drudg Report versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Obama In The Drudg Report books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Obama In The Drudg Report books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Obama In The Drudg Report books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Obama In The Drudg Report books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Obama In The Drudg Report books and manuals for download and embark on your journey of knowledge?

FAQs About Obama In The Drudg Report Books

1. Where can I buy Obama In The Drudg Report books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
