Fast, Fresh and Unbelievably Delicious Matt Preston,2013-10-01 My new cookbook is full of recipes for stuff that is quite simply delicious and that I cook for my family and friends It s a wee bit different from my first book in that the dishes are fresher lighter healthier Well that was the idea I then suggested all those naughty over the top dishes that I also love These had to go into a sealed section because like a Bangkok nightclub act they are just a little too full on for the delicate stomachs of some and for the good of your health That section is sealed for your own safety Please resist opening it if you are a helpless slave to your passions In short this book is like me It starts out with REALLY GOOD intentions for a while until it is overwhelmed by temptation and then quite frankly once self control is gone it turns into a bit of an orgiastic free for all Good times Welcome to the Pleasure Dome my friends please grab a fork Matt Preston This is a specially formatted fixed layout ebook that retains the look and feel of the print book
