Virgins, Harlots and Sex David Chesney,2011-02-14

AN Earthy Look At Christianity Many biblical terms have a consistent symbolic significance from Genesis to Revelation eg nudity light and darkness virgins harlots Nudity occurs in three of the most significant events in the whole Bible and in every case it is best understood symbolically This book demonstrates that symbolism is so powerful it can for example change the status of Isaiah s virgin birth prophecy from an absurdity to an astonishing fulfilment of prophecy Harlots described in the book as God s warning lights also figure very prominently in the biblical coverage of both Jews and Christians Another key theme is to show that the raw seed concepts of the Hebrew Bible evolve so neatly into the Christian New Testament viewpoint over a 1000 years that readers may conclude uninspired biblical script writers could not have organized it Here are some quotes from the book that introduce intriguing and or provocative new trains of thought 1 If you think linking sex with religious experience is a bit rich then you need to do some more Bible study 2 Indulgence in adultery is the most obvious of the sins proscribed in the Ten Commandments that could trace directly to hormonal influences 3 Should we be joining Haters Anonymous Schadenfreude Anonymous or Egotists Anonymous in order to qualify for a better land and to actually enjoy it 4 Some of our excretory functions are less than ideal for a brand new earth the creator team could have done better by us if they wanted to 5 It is tacitly assumed God did not conduct experiments in His creation efforts No need to He knows the end from the beginning But Other challenging insights emerge in connection with Lot s use of his daughters as sex sops the possible symbolic significance of the Mosaic decree to cut off a lady s hand if she squeezed testicles the massaging of data in St Matthew s genealogies a religious uncertainty principle and the reason God doesn t do something to stop the frightful things happening in the world This is not a book built on hype and emotion It makes extensive use of scholarly sources but has a light hearted journalistic approach and is easy to read In exploring the spiritual import of sexual issues in nature and

revelation it offers fresh perspectives on the bitter creation evolution debate the gross and genocidal behavior of the chosen people the currently unacceptable biblical restrictions on human sexual behavior and the decidedly low key role of women in organized religion Innovative succinct engaging thought provoking and sometimes shocking The Life of St. Catherine of Siena Raymond of Capua, 2009-05 THOUGH saints have sometimes been at loggerheads and for instance you would trust St Jerome on St Augustine no more than you would Manning on Newman a special authority invests one saint when he does bring himself to write the life of another Not that literary skill is guaranteed but that in the first place informed sympathy with the heart of the matter can be expected a response to what holiness is about some account of the essential business which does not reduce it to the terms of a psychological case history or substitute for it merely a natural if unusual reaction to the conditions of environment Next when the two have lived and prayed closely together have followed the same daily round and undergone the same weather have shared friends acquaintances and critics have belonged to the same religious family and engaged in common enterprises and finally have kept no secrets from each other then you rightly look for an appreciation of the individual embodiment of holiness together with the moods the cast of countenance and even the quirks that went with this falling and remaining in love with God *Patience Is a Virgin* Mikey Jackson, 2013-03 At twenty five years of age and after one embarrassing revelation on a drunken birthday evening Patience Hope sets out to lose her virginity Or perhaps her mind Possibly both The important thing is that she gets laid and put her no longer secret shame behind her As a willing young woman in a city full of theoretically horny young men she can't imagine it will be that difficult Of course things are never that easy F M *The virgin's lamp, prayers and devout exercises* John Mason Neale, 1868
