Leviticus: An Introduction and Study Guide Philip Peter Jenson, 2021-07-15 In this guide Philip Peter Jenson provides an introduction to Leviticus examining its structure character and content In particular he focuses on explaining the basic concepts that inform the rituals and ethics of Leviticus This is especially the case for the pervasive and complex category of holiness along with its antithesis impurity Overall Jenson's emphasis is on the overarching coherence of the book and how it reached its present canonical form Leviticus is a difficult book for most readers describing rituals that are no longer practiced and reflecting a culture that is vastly different from that of the modern West Yet it is the central book of the first section of the Bible of both Jews and Christians and it is at the heart of the law revealed to Moses on Mount Sinai It includes the foundational texts on matters such as sacrifice or love for one's neighbour In this comprehensive introduction Jenson offers extensive analysis and concludes each chapter with reflections on the contemporary significance of the texts being discussed **Comparing the Qur'an and the Bible** Rick Richter, 2011-11-01 Engagement with the Muslim world and Muslim people is inevitable for Christians After all Islam is the fastest growing religion in the United States But what does the Qur'an really say about things like Jesus war and non Muslims What does the Bible say on these matters If Christians are to engage in informed loving conversation with their Muslim neighbors they need to be equipped with more than the often specious talking points they glean from the news or email forwards Comparing the Qur'an and the Bible offers readers an unprecedented collection of Scriptures and doctrines of both faiths presented side by side for easy study and comparison

covering such key issues as Jesus Abraham creation angels jinn jihad the fall of humankind predestination ransom for sin sacrifice grace rebirth God Allah women marriage and divorce homosexuality suicide resurrection judgment Paradise prayer A brief explanation of each passage in the Qur'an and the Bible is given as well as biblical answers to Islamic teaching The book also motivates readers to have hearts for Muslims and seek to bring them to Christ offering door openers to sharing the Good News This indispensable collection will be treasured by anyone seeking to understand and engage their Muslim neighbors

The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6:4-8 and Isaiah 54:13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book *Testimonies for the Church* volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church

schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner *Church History Study Guide, Pt. 2* Randal S. Chase, 2012-03-01 The second of three on Church History and the Doctrine and Covenants covers the Kirtland and Missouri periods including a series of breathtaking revelations on temples the Plan of Salvation the three kingdoms of glory the Second Coming principles of priesthood power the Word of Wisdom and the Law of the Church *Tikkun Leil Shavuot: The Arizal's Torah Study Guide* Efraim Palvanov, 2016-05-26 The festive holiday of Shavuot is best known for its all night Torah learning The Jewish Sages teach that staying up all night is more than just a celebration of Torah it is a tikkun a spiritual rectification The 16th century mystic Rabbi Itzhak Luria the Arizal prepared a study guide for the night of Shavuot This guide is presented here in both Hebrew and English together with a selection of penetrating insights and commentaries drawn primarily from the mystical teachings of the Zohar and the Arizal *1 Samuel Study Guide (BookCaps Study Guide)*, 2011 There are lots of Bible commentaries on the Book of 1 Samuel but BookCaps offers one of the first electronic Bible Commentaries for the modern reader This commentary includes an introduction to the Book of 1 Samuel including the history of the text the structure and the themes a chapter by chapter summary and discussion questions BookCaps Bible Commentaries are nondenominational study guides for people who are just getting into the Bible for the first time or who just want to know a little more **SCM Studyguide to Christian Spirituality** Ross Thompson, 2008-09-01 The SCM Studyguide Christian Spirituality is designed as an introduction to spirituality for students of all religious backgrounds coming to the subject for the first time *SCM Studyguide: Christian Mission* Stephen Spencer, 2014-04-15 Explores the nature of Christian mission in contemporary post modern society This book examines the main historic types of mission in the Christian tradition seeing how they were forged in the cross currents of history and how they continue to be expressed by different Christian communities **Difficult Questions on Dinosaurs** Richard Pittack, 2011-07-01 This book is not the typical Questions and Answers on Dinosaurs book It is not a book for children enabling them to find out the largest recorded dinosaur to discover what dinosaurs ate or even how they managed to get up after nap time An informative book on the biology and anatomy of the mighty reptiles it is not The series of questions in this treatise of answers has arisen from meetings conducted on dinosaurs The questions have come from all kinds of people in various and sundry walks of life Some of the questions were common and not much is to be learned from answers to such generalities However some of the questions are not only posited by the curious but come from hearts filled with consternation while contemplating the subject

of Theodicy Did the Creator contribute heavily to the world's landscape of tooth and claw Is the canvass of God's creation not only etched in blood but filled with the stench and smell emanating from the so called Mesozoic Era of the past **SCM**

Studyguide: Christian Doctrine Astley Jeff,2015-04-21 An accessible textbook for all engaging with Christian doctrine for the first time A valuable resource and suitable for all clergy and all training for ministry My Talent from the King Tim Clark,2021-06-23 My Talent From The King book is a gift from God to me As I began my journey after finding Jesus He began to show me and teach me wonderful things about His holy Word He said in John 14 15 that He would give me a Comforter that would teach and guide me into all truth This book has summaries of different topics throughout the Bible There are even a few testimonies written in this book This book was written to be a disciple Matthew 28 19 20 to go where I couldn't go into people's homes and lives as they read and found out truth versus the error of false teachers and I thank God for giving me this gift to share with my brothers and sisters so that we can come to the truth of Jesus Christ said And ye shall know the truth and the truth shall make you free In John 10 1 5 Jesus speaks saying to us Verily verily I say unto you He that entereth not by the door into the sheepfold but climbeth up some other way the same is a thief and a robber But he that entereth in by the door is the shepherd of the sheep To him the porter openeth and the sheep hear his voice and he calleth his own sheep by name and leadeth them out And when he putteth forth his own sheep he goeth before them and the sheep follow him for they know his voice And a stranger will they not follow but will flee from him for they know not the voice of strangers In John 10 14 16 Jesus says I am the good shepherd and know my sheep and am known of mine As the Father knoweth me even so know I the Father and I lay down my life for the sheep And other sheep I have which are not of this fold them also I must bring and they shall hear my voice my truth which I have spoken and there shall be one fold and one shepherd In Times Like These D. Chongo Mundende,2012-09-07 We live in interesting times In our times we know many facts but lack faith We know so much about medicine but enjoy little health We ask many questions but receive few answers Living in a broken world in times where wrong is considered right and right is considered wrong we question the reality of the existence of God Yet wherever we look we see battered scarred bruised maimed and broken people crying for Him God is always present He is never caught off guard or taken by surprise The problems and heartaches we face are a result of sin The solution to sin is Jesus Christ the Creator Savior Sustainer and Answer to all our questionings By accepting Him beholding His love and mercy and studying His Word our lives are transformed into His likeness We become new creations Jesus left the splendor of heaven to come and die for us on a cruel cross at Calvary for the sins He did not commit He would have come and died for us if we were the only sinner in the whole universe In Times Like These is about Jesus and His love for lost humanity In times like these we need Him every nanosecond of the day and night He is coming back soon to take His children home A home where there is no pain cancer disease tears of sorrow or disappointment Will you go with Him to Paradise Now is the time to get ready
