oven and you have a horrible feeling that after the initial excitement is over half of it's going to get pushed aside and not eaten. Well, maybe it's time to bring bread back into mealtimes for real. Not only does Paul teach you exactly how to make a variety of breads but for each one there is a spin-off recipe that shows you how to make a fantastic meal of it. The book has six chapters each with five bread recipes plus the spin-off recipes for main courses. Not only are Paul's recipes delicious but they are also foolproof with comprehensive step-by-step photographs. Try your hand at a basic white bloomer which can become a savoury picnic loaf, stilton and bacon rolls which are excellent served with celery soup, fluffy crumpets which become the base for eggs Benedict, flatbreads which are a natural pairing with chickpea masala, ciabatta which the Italians have traditionally used as a base for tomatoey panzanella, pizza bases which can become home-made fig, Parma ham and Gorgonzola pizzas or white chocolate and raspberry bread which makes for the best summer pudding you've ever tasted. Mary Berry: The Queen of British Baking - The Biography A.S. Dagnell, 2013-01-29 Mary Berry is one of Britain's most respected and well-loved gurus of the kitchen. The undisputed Queen of the Aga has been the focus of many television shows and regularly contributes her expertise on *Woman's Hour*. The recent hit BBC show *The Great British Bake Off* has once again put Mary back into the limelight and has reignited a passion for baking across the nation. Inspired by domestic science classes at school, Mary took a catering course at her local college before gaining a qualification from the Cordon Bleu school in Paris. After a stint working for the Electricity Board where she demonstrated to new owners of electric cookers how to operate them by cooking a Victoria sponge and then as editor for *Housewife* and *Ideal Home* magazine, Mary published her first cookbook *The Hamlyn All Colour Cookbook* in 1970 and hasn't looked back since. As well as cookery books, Mary has collaborated with her daughter Annabel to produce their own range of dressings and sauces which are now sold worldwide. But her personal life has also been touched by tragedy as her son William was killed in a car accident at the age of just 19. With over 70 cookery books under her belt, there is no doubt that Mary Berry is one of Britain's most successful cookery writers. Awarded the CBE in 2012, her gentle personality and classic family cooking style are a remarkable contrast to some of the more outspoken celebrity television chefs. Just one of the reasons why even after over forty years in the industry she is so well-loved. This is her fascinating story.
