Paul Wahl Guns Sellers Guide:

The Publishers Weekly ,1897 **Field & Stream** ,1987-07 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations **Subject Catalog** Library of Congress, *Guncrazy America* Frank N. Egerton,2018-10-06 The conclusion of this professor historian emeritus is that our gun culture had its uses in establishing American civilization as slavery did But we came to recognize after a bloody civil war that slavery was a gigantic mistake and now I think it s time to realize that our gun culture was a similarly gigantic mistake though of a different kind And we need to do what we can to minimize its horrible impacts and move on to a more positive development of a humane civilization **A Busy Week in Texas** Edward T. Cotham,2021-10-07 In the spring of 1880 Ulysses S Grant former general in chief and two term president of the United States stepped ashore at Galveston and began what turned out to be a seven day whirlwind visit to Texas Because of his past accomplishments and the chance that he might be nominated to serve an unprecedented third presidential term Grant was the most famous and eagerly awaited celebrity ever to visit the Lone Star State The general visited Galveston San Antonio and Houston where he was greeted by thousands of cheering Texans Grant s visit to Texas was the subject of extensive coverage in newspapers across the nation providing a unique time capsule for modern readers The detailed reports of parades banquets receptions and social activities not only document what Grant did at these functions but also provide a record of what the thousands who came to see him said and did The elaborate banquet menus and the word by word transcriptions of after dinner toasts and speeches provide a fascinating window into social activities that are no longer an active part of modern life This book tells the story of Grant s busy week in Texas allowing the reader to see Texas the way Grant experienced it The book also includes a tour guide that will allow readers to literally retrace the general s footsteps to the sites of many historic buildings that still exist today **Subject Catalog, 1976** Library of Congress,1976 *Popular Science* ,1975-11 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better The Social History of the Machine Gun John Ellis,1986-08 It necessitated a technological response first the armored tank then the jet fighter and perhaps ultimately the hydrogen bomb **Field and Stream** ,1954 **Military Review** ,1966
