Pauline Pusser Autopsy Report:

BUFORD PUSSEY: the Other Story Mike Elam, 2020-10-31 Investigations and Research into the law enforcement career of Sheriff Buford Pusser indicates the real story is nothing like we saw in movies or read in books Was Sheriff Pusser part of the problem at the state line rather than part of the solution Was he more involved in the death of his wife than we were led to believe That is why this book is titled BUFORD PUSSEY The Other Story The information in this book comes from the people who were there and lived their own part in this story This book tells it all from accepting payoffs to possible murders Buford committed all in the name of greed Read the fascinating facts regarding the alleged attack on Buford at a state line club Was he really cut up robbed and left for dead See what the real story tells us Was he actually shot eight times and stabbed seven times or were these simply highly embellished stories Buford and Pauline were separated when she was killed in the alleged ambush meant for the sheriff Read why Buford s version of the ambush doesn t make sense and the possible motive for his wife s death Hear what those close to Pauline had to say about her death and read about the observation of witnesses leading up to alleged ambush What they report will amaze you You will read about criminals connected to the Dixie Mafia that were never mentioned in the movies about this famous sheriff Carl Douglas Towhead White the Al Capone of the south and Kirksey McCord Nix who would later place a contract for the murders of Judge Sherry and his wife in Biloxi Mississippi This book was authored by a former law enforcement officer who once thought of Buford Pusser as a hero His research into Pusser life however took him to some very dark and disturbing places as he learned much of what actually happened through FBI files photos and correspondence autopsy reports and personal interviews from those who interacted with sheriff Pusser in those turbulent times Photos files etc in are the book *Suggested Autopsy Report Procedures* Kansas Bureau of Investigation, 1987
