

Lesson 9: INDIGENOUS PEOPLES' EDUCATION PROGRAM

A. Pre-Test

Put a check (/) on the statement which you think is true of the Indigenous Peoples Education Program and some IP characteristics. If not, mark it with X.

A. Indigenous Peoples Education Program

- / 1. Indigenous Peoples' Education Program (IPED) address the special Educational needs of the students from the different indigenous group.
- / 2. The IPED falls under the Student Inclusion Programs of DepEd.
- / 3. A teacher must always be ready to accept and teach an IP learner who may be displaced by difficult circumstances like urban resettlement or disaster.
- / 4. A reflective teacher can inspire and change the life of an IP learner.
- / 5. An IP learner has a similar learning style and needs with other non-IPs.
- X 6. All strategies are applicable to IP learners.
- X 7. A teacher should stick to one strategy in teaching IPs.
- X 8. An IP learner should be isolated in the classroom so that teachers can respond directly to his/her learning needs.
- / 9. A teacher should allow an IP learner to mix with others during games and sports activities.

B. IP Characteristics

- / 1. One of the characteristics of the Indigenous People (IP) is their reverent attitude to their cultural beliefs and traditions.
- / 2. The cultural beliefs and traditions of the IPs vary from place to place thus a teacher must be well versed with the type of IPs in his/her locality.
- / 3. Everyone has an opportunity to be educated regardless of race, tribe, culture, traditions and dialect.
- X 4. IPs can only learn through observation, repetition and practice.

Characteristics of the IP Learner	Needs of IP Learner	Possible Challenges	Possible Actions

Fill in the columns below to identify the characteristics and needs of IP learners and the possible challenges and actions to address their needs.

Mann, 2019-01-25 This book contains fifty two Bible lessons suitable for students from grade 6 to adult and is useful in several different settings a year s supply of Bible study lessons in any classroom setting The book includes lessons for Easter Thanksgiving and Christmas These lessons are useful when a substitute teacher is needed on short notice The substitute teacher may select a topic and teach an effective lesson with little or no preparation time Use as curriculum for an in home Bible study group for youth gatherings for nursing home studies either group or one on one for jails or prisons for special events for Easter Thanksgiving or Christmas holidays Or perhaps an individual at home personal Bible study or any other group gathered to study the Bible These Bible lessons are intended to be easy to use for anyone who can read English Teach a lesson with little or no preparation time Those who are inexperienced in teaching Bible lessons will find these lessons easy to use Each lesson includes the following The main lesson text including printed Scripture passages A summary review of the main points of the lesson Life application questions applying the lesson to life A suggested closing prayer optional A Bible quiz to be used as a time filler if needed An index and description of each lesson is located at the front of this book **Social Class** Annette Lareau, Dalton Conley, 2008-07-10 Class differences permeate the neighborhoods classrooms and workplaces where we lead our daily lives But little is known about how class really works and its importance is often downplayed or denied In this important new volume leading sociologists systematically examine how social class operates in the United States today Social Class argues against the view that we are becoming a classless society The authors show instead the decisive ways social class matters from how long people live to how they raise their children to how they vote The distinguished contributors to Social Class examine how class works in a variety of domains including politics health education

gender and the family Michael Hout shows that class membership remains an integral part of identity in the U S in two large national surveys over 97 percent of Americans when prompted identify themselves with a particular class Dalton Conley identifies an intangible but crucial source of class difference that he calls the opportunity horizon children form aspirations based on what they have seen is possible The best predictor of earning a college degree isn't race income or even parental occupation it is rather the level of education that one's parents achieved Annette Lareau and Elliot Weininger find that parental involvement in the college application process which significantly contributes to student success is overwhelmingly a middle class phenomenon David Grusky and Kim Weeden introduce a new model for measuring inequality that allows researchers to assess not just the extent of inequality but also whether it is taking on a more polarized class based form John Goldthorpe and Michelle Jackson examine the academic careers of students in three social classes and find that poorly performing students from high status families do much better in many instances than talented students from less advantaged families Erik Olin Wright critically assesses the emphasis on individual life chances in many studies of class and calls for a more structural conception of class In an epilogue journalists Ray Suarez Janny Scott and Roger Hodge reflect on the media's failure to report hardening class lines in the United States even when images on the nightly news such as those involving health crime or immigration are profoundly shaped by issues of class Until now class scholarship has been highly specialized with researchers working on only one part of a larger puzzle Social Class gathers the most current research in one volume and persuasively illustrates that class remains a powerful force in American society

Globalization of Education Joel Spring, 2008-11-19 Continuing Joel Spring's reportage and analysis of the intersection of global forces and education this text offers a comprehensive overview and synthesis of current research theories and models related to the topic Spring introduces readers to the processes institutions and forces by which schooling has been globalized and examines the impact of these forces on schooling in local contexts Designed for courses on globalization and education international and comparative education educational foundations multicultural education and educational policy the text is written in a clear narrative style to engage readers in thoughtful consideration of topics discussed Each chapter includes Key Points that summarize the content and suggest issues and questions for critical analysis discussion and debate

Cyber Science 1 Tm' 2007 Ed. , A People's History of Classics Edith Hall, Henry Stead, 2020-02-26 A People's History of Classics explores the influence of the classical past on the lives of working class people whose voices have been almost completely excluded from previous histories of classical scholarship and pedagogy in Britain and Ireland from the late 17th to the early 20th century This volume challenges the prevailing scholarly and public assumption that the intimate link between the exclusive intellectual culture of British elites and the study of the ancient Greeks and Romans and their languages meant that working class culture was a Classics Free Zone Making use of diverse sources of information both published and unpublished in archives museums and libraries across the United Kingdom and Ireland Hall and Stead examine the working class

experience of classical culture from the Bill of Rights in 1689 to the outbreak of World War II They analyse a huge volume of data from individuals groups regions and activities in a huge range of sources including memoirs autobiographies Trade Union collections poetry factory archives artefacts and documents in regional museums This allows a deeper understanding not only of the many examples of interaction with the Classics but also what these cultural interactions signified to the working poor from the promise of social advancement to propaganda exploited by the elites to covert and overt class war A People s History of Classics offers a fascinating and insightful exploration of the many and varied engagements with Greece and Rome among the working classes in Britain and Ireland and is a must read not only for classicists but also for students of British and Irish social intellectual and political history in this period Further it brings new historical depth and perspectives to public debates around the future of classical education and should be read by anyone with an interest in educational policy in Britain today
