

# HP101 Roland Digital Piano

## Owner's Manual

Thank you, and congratulations on your choice of the Roland Digital Piano HP101.

### **Main Features**

#### **Piano Sounds with Rich Resonance and Wide-ranging Expressiveness**

The stereo sampling piano sound generator realistically reproduces even the sound of the hammers striking the strings, producing the tones of a high-quality concert grand piano. Maximum polyphony of 64 notes ensures that you can use the pedal freely without running out of notes.

#### **Keyboard and Three Pedals Faithfully Reproduce That True Grand Piano Feel**

This instrument features a compact progressive hammer action keyboard, which duplicates the touch of a grand piano, with a heavier touch in the lower register, and a lighter touch in the upper register. The three pedals are designed for good-feeling response, and allows subtle performance nuances to be expressed.

#### **Luxurious Wood-Grain Design**

Featuring an elegant, wood-grain cabinet, the compact design of this fine instrument ensures it uses a minimum of space. In addition to a sliding keyboard lid, the HP101 also features a convenient headphone hook where you can hang your headphones when they are not in use.

Before using this unit, carefully read the sections entitled: "IMPORTANT SAFETY INSTRUCTIONS" (p. 2), "USING THE UNIT SAFELY" (p. 3, 4), and "IMPORTANT NOTES" (p. 5). These sections provide important information concerning the proper operation of the unit. Additionally, in order to feel assured that you have gained a good grasp of every feature provided by your new unit, Owner's manual should be read in its entirety. The manual should be saved and kept on hand as a convenient reference.
