**Faust - Romeo Et Juliet** Mary Dibbern, 2006 In 1850 the French mezzo soprano Pauline Viardot wrote to her friend Turgenev Among that mass of talented composers who are witty in a vulgar sort of way intelligible not because of their

clarity but because of their triviality the appearance of a musical personality such as Gounod's is so rare that one cannot welcome him heartily enough. Pendragon Press welcomes this addition to their Vox Musicae Series of Operatic Performance Guides by Mary Dibbern. The libretti and literary sources of Gounod's two masterpieces are studied in depth. The libretto section includes word by word translations into English and IPA transcriptions of both libretti in their final opera comique versions. Dibbern explains how the literary source materials were converted into libretti as well as the history of the various musical editions and versions. Numerous illustrations have been provided by a member of Gounod's family.

**Romeo and Juliet (Classic Reprint)** William Shakespeare, 2017-05-23. Excerpt from Romeo and Juliet. All addition to the text from whatever source are enclosed in the text in brackets and are of course also recorded in the Notes, but for correction of the text the reader must turn to the Notes only. It was not possible to mark them without greatly disfiguring the text itself and distracting the reader's attention at every step by signs and marks referring to notes which when found in nine cases out of ten turn out to be of no importance. Reference to or from the Notes will be found perfectly easy by means of the numbered lines.
