

## Safety precautions

- When using your headset while driving, follow local regulations in the region you are in. Never use a headset or headset with a hands-free kit while driving. Doing this may cause the headset to malfunction or become inoperable. It may also distract you and cause an accident.
- Keep your device and accessories out of the reach of small children or animals. Small parts may cause choking or serious injury if swallowed.
  - Avoid exposing your device to any extreme temperature (below 0°C or above 35°C). Extreme temperatures can cause the deterioration of the device and reduce the charging capacity and life of your device.
  - Do not allow your device to get wet. • Damage can occur without damage. Do not handle your device with wet hands. Water damage to your device can occur even if it is not directly exposed to water.
  - Avoid using your device's light close to the eyes of children or animals.
  - Do not use the device during a thunderstorm. Thunderstorms can cause the device to malfunction and cause harm to the user or the device.
- Excessive exposure to heat or sunlight can cause hearing damage. Exposure to heat or sunlight while driving may distract your attention and cause an accident. Use only the headset when it is not in use and when you are not driving.
