Milne,2021-07-01 How does contemporary literature contend with the power and responsibility of authorship particularly when considering marginalized groups How have the works of multiethnic authors challenged the notion that writing and authorship are neutral or universal In Novel Subjects Leah Milne offers a new way to look at multicultural literature by focusing on scenes of writing in contemporary works by authors with marginalized

identities These scenes she argues establish authorship as a form of radical self care a term we owe to Audre Lorde who defines self care as self preservation and an act of political warfare In engaging in this battle the works discussed in this study confront limitations on ethnicity and nationality wrought by the institutionalization of multiculturalism They also focus on identities whose mere presence on the cultural landscape is often perceived as vindictive or willful Analyzing recent texts by Carmen Maria Machado Louise Erdrich Ruth Ozeki Toni Morrison and more Milne connects works across cultures and nationalities in search of reasons for this recent trend of depicting writers as characters in multicultural texts Her exploration uncovers fiction that embrace unacceptable or marginalized modes of storytelling such as plagiarism historical revisions jokes and lies as well as inauthentic invisible and unexceptional subjects These works ultimately reveal a shared goal of expanding the borders of belonging in ethnic and cultural groups and thus add to the ever evolving conversations surrounding both multicultural literature and self care

The Autobiography Of A Flea Anonymous, 2022-05-29 The Autobiography of a Flea offers a unique blend of satire and eroticism narrated from the perspective of a flea which serves as a metaphor for the social hierarchies and moral depravity of 19th century society The narrative unfolds in a lyrical style rich with detailed descriptions and a keen sense of irony drawing parallels to contemporary works of social criticism Through the deceptively whimsical lens of a flea s experiences the text delves into themes of voyeurism sexuality and the absurdity of human behavior revealing the dark undercurrents hidden beneath the seemingly mundane lives of its characters Though attributed to anonymous authorship the book is believed to be part of the underground literature of its time reflecting the tumultuous social landscape shaped by the Victorian era s stringent morals juxtaposed with its hidden vices The choice to narrate through an insect s perspective allows for a bold commentary on class disparity while simultaneously exposing the innate absurdities of human desires Readers

seeking a provocative exploration of societal norms through a clever and unconventional narrative will find *The Autobiography of a Flea* to be both enlightening and entertaining. This novel not only challenges traditional literary conventions but also serves as a timeless reflection on the complexities of human nature. *Bradstreet's Lives: being a genuine history of several gentlemen and ladies, all living within these ten years past, remarkable for their virtues, or their vices. To which is added, the author's system of government. His speech to a Grand Jury. Remarks upon the last dying agonies of the Roman Empire ... The Wiriyamu Massacre Mustafah Dhada, 2020-02-20 Using interviews as primary sources, this book shines a light on the infamous Portuguese massacre of Wiriyamu in colonial Mozambique in 1972. Twenty-four carefully curated testimonies are presented, covering Portugal's last colonial war in Mozambique and the nationalist response that led to the massacre. Survivors share with you their escape from Wiriyamu, while data collectors, priests, and journalists tell of their struggle to collect evidence and defend the truth about the killings in the international press. *The Wiriyamu Massacre* contextualizes the unique importance of the oral evidence it contains and reveals the in-depth interview methods used to gather the oral testimonies and subsequently curate the transcript into readable texts. This is the horrific story of Wiriyamu and what it can tell you about European colonialism, genocide, and the darkness in humanity spoken by the people who were there and who tried to tell the world.
