Monster Dan Wells,2010-09-28 I killed a demon I don t know if it was really technically a demon but I do know that he was some kind of monster with fangs and claws and the whole bit and he killed a lot of people So I killed him I think it was the right thing to do At least the killing stopped Well it stopped for a while In I Am Not a Serial Killer John Wayne Cleaver saved his town from a murderer even more appalling than the serial killers he obsessively studies But it turns out even demons have friends and the disappearance of one has brought another to Clayton County Soon there are new victims for John to work on at the mortuary and a new mystery to solve But John has tasted death and the dark nature he used as a weapon the terrifying persona he calls Mr Monster might now be using him No one in Clayton is safe unless John can vanquish two nightmarish adversaries the unknown demon he must hunt and the inner demon he can never escape In this sequel to his brilliant debut Dan Wells ups the ante with a thriller that is just as gripping and even more intense He apologizes in advance for the nightmares At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
