Paranormal Experiences Death The Final Frontier:

Paranormal Experiences Charles Banks, 2014-11-09 Death is a destination of finality We are all headed towards this destination which depending on beliefs leads us to an afterlife or to a never ending sleep Throughout the pages in the book I will explore questions that we all have regarding the processes of death and beliefs of an afterlife The stories shrouded in the mystery of death will hold a true testament to the beliefs of groups throughout history and today *Paranormal Experience and Survival of Death* Carl B. Becker, 1993-09-06 Paranormal Experience and Survival of Death amasses data and surveys from a century of research on the paranormal on four continents Europe Asia and the Americas Studying the tensions between religious and scientific perspectives Becker reviews numerous substantiated accounts of demon possession of memories of past lives of ghostly apparitions and out of body experiences He analyzes the medical evidence and what such experiences imply about survival after death The author then looks at the reasons for the taboos on scientific discussion of such research within the social sciences and proposes a new paradigm for a more holistic view of the field **Experiences From Beyond (Unknown and True) Part II** Charles Banks, 2015-06-27 Death is a destination of finality We are all headed towards this destination which depending on beliefs leads us to an afterlife or to a never ending sleep Throughout the pages in the book I will explore questions that we all have regarding the processes of death and beliefs of an afterlife The stories shrouded in the mystery of death will hold a true testament to the beliefs of groups throughout history and today This is the second book in Death the Final Frontier Saga which continues down a path of personal haunting and the dabbling into the unknown Charles pours his soul into this masterpiece The most fascinating personal haunting ever with personal accounts into the unknown *Out of the Darkness and Into the Light (Death the Final Frontier III)* Charles Banks, 2016-03-31 The Stories shrouded in great mystery appeal to all of us that would consider ourselves spiritual The continuation of Death The Final Frontier demonstrates a great battle between good and evil Personally I do not think death is the final frontier but a new beginning of peace tranquility and a rebirth of our souls uniting with the maker of the universe God As a Christian I sometimes get the blunt of those that truly do not understand the path I have chosen to follow within this lifetime A life full of great triumphs terrible loss and great love has given me an awakening to a path beyond comprehension Throughout the pages in the third installment the reader will be able to take a ride with me as I fight the battle that has been presented to my soul Personal encounters along with many great friends experiences allow for the story to flow smoothly This also creates a vast array of speculation of what is happening to me personally In the beginning I felt as if this were a spiritual attachment of a ghost or other type of malevolent entity I have now swayed my opinion that it is truly a battle versus good and evil created by either past lives or portals that have been opened up over time I have shared a great many of my stories and will continue to do so until the great maker decides that my story is complete If you have not read my first two installments to the Death the Final Frontier Saga you can find them under the names Paranormal Experiences Death the Final Frontier and

Experiences From Beyond Death the Final Frontier II It is my hope that after reading my experiences that you research for yourselves what is beyond this earthen plane of existence What started out as a longing to speak and see my father once again has now become a mission to try and explain and examine what happens to us after death and beyond What manifests in the night might be misconstrued as the creaks in a house mice in the walls bugs hitting windows or some other type of event For sensitive s it becomes a whole new ball game Have you ever wondered why on certain nights you can remember everything that happened within a dream so vividly Or the nights when you continuously turn over and over and are in and out of slumber What would cause these types of occurrences to happen Ever awoke and couldn t move frozen in a terrified demeanor Frankly I would imagine that there are relative terms to describe such situations Sleep paralysis astral projection psychic awareness or some other type of aspect may be the prowess behind such situations Death the Final Frontier III will be a continuous plot that describes ideas behind the paranormal in a search for answers of the unknown The third segment in the series describes the perilous time in my life when evil fought the light in a war for the soul The search for an afterlife has been discovered in ways beyond our comprehension a vicious cycle of karmic good and bad balance weigh our learning and understanding of what is to come and what will be Many new philosophical mysteries are examined through the mind of a growing sensitive in the world of the paranormal As a Christian it is difficult to analyze some of the experiences in light of the moral compass of the church In my opinion God has a plan for all of us and in that plan we all branch out in our own way to spiritual completeness Death is a destination of finality We are all headed towards this destination which depending on beliefs leads us to an afterlife or to a never ending sleep Throughout the pages in the book I will explore questions that we all have regarding the processes of death and beliefs of an afterlife The stories shrouded in the mystery of death will hold a true testament to the beliefs of groups throughout history and today

Around the Dinner Table Religion and Politics: The Butt Hurt Saga Charles A. Banks, 2016-01-09 Have you ever sat around the dinner table discussing religion and politics If you grew up in my family you tended to just eat your food discuss how your day went and then be excused from the table There was the occasional you are going to vote for this guy or that guy is an idiot in my house but there really were no deep descriptions of politics in general unless my grandmother was present I remember my father implying that I should never go to the dark side as he called them As with any teenager I tended to do the opposite of what their parent implied This book will explore personal experiences and experiences from dinner tables across the country We will also look at the years from 1962 2015 which I contemplate as the years our freedoms died Plausible deniability from our government regarding matters of Constitutional rights which were guaranteed from our founding fathers will be explored Should we as a nation sit idly by as our government continues to garnish our freedoms What will you do if and when the economy crashes Is there a reason why we have internment camps set up by the government that was created to protect its citizens These are a few of the questions that I explore throughout the pages in the book This will be a true testament to the will of our country which is

utterly protected by the First Amendment to the Constitution Together we will have a better understanding of where our country is headed and where we came from as a society I question how many families do sit down and eat and congregate together each evening in their homes the data would probably be staggering to say the very least If you were to walk into virtually any establishment around the country you might see several men and women drinking coffee and discussing politics If you were to walk into a home in the evening from the time period of 6 00 7 00 p m would you see a similar situation
