Parent Letter For Remind 101:

Partnering With Parents in Elementary School Math Hilary Kreisberg, Matthew L. Beyranevand, 2021-02-03 How to build productive relationships in math education I wasn't taught this way I can't help my child These are common refrains from today's parents and guardians who are often overwhelmed confused worried and frustrated about how to best support their children with what they see as the new math The problem has been compounded by the shift to more distance learning in response to a global pandemic Partnering With Parents in Elementary School Math provides educators with long overdue guidance on how to productively partner and communicate with families about their children's mathematics learning It includes reproducible surveys letters and planning documents that can be used to improve the home school relationship which in turn helps students parents teachers and education leaders alike Readers will find guidance on how to Understand and empathize with what fuels parents anxieties and concerns Align as a school and set parents expectations about what math instruction their children will experience and how it will help them Communicate clearly and productively with parents about their students progress strengths and needs in math Run informative and fun family events support homework Coach parents to portray a productive disposition about math in front of their children Educators families and students are best served when proactive productive and healthy relationships have been developed with each other and with the realities of today's math education This guide shows how these relationships can be built

Engaging Families in Schools Nicola S. Morgan, 2016-11-10 Engaging Families in Schools is a practical resource that provides strategies and ideas that will contribute to the effective engagement of families and the involvement of parents in their child's education Parental engagement with school staff has a significant and very positive impact on children's learning and strategies presented have been extensively trialled in a variety of different settings Nicola S Morgan shows school staff how to understand the importance of family engagement and evidence the outcomes This book has been split into ten easily accessible units Understanding the importance of parent engagement Using whole school strategies to engage parents The role of the family engagement officer Engaging all parents Engaging Dads Engaging multicultural parents Difficult to engage parents Working with parents to improve student attainment Working with parents to improve behaviour and attendance Working with parents of children with additional needs This is a must read guide for teaching and non teaching staff who wishes to bridge the gap between their student's school and family life and understand the effects of positive family engagement
