

"This is my favorite of the Rain Falls series. I usually reserve 5 stars for authors such as Tolkien, Asimov, Richard Adams, Arthur C. Clarke, and Margaret Atwood...but most of them are dead and none of them made me laugh this much. :)"

Baeli illustrates an odd small town in Colorado where the soap opera continues. India and Tegan stumble a bit here and there (but who doesn't?) Karma finally comes through for the Bell family, and it is indeed a bitch for those that have been wronging them for so long. It was really nice to have the characters from the rest of the family and some of the town rounded out in this book.

*I am looking forward to the next one!
Cheers!"*

Pariahs & Prodigals

RAIN FALLS SERIES #3

The only thing that stays the same is change. In this third book of the bestselling Rain Falls series, small town life is fraught with a set of surprises. India and Tegan wrestle with sudden changes that test their bond, while all around them, circumstances shift and switch for the Bell, Lowry, and Fry clans.

Amid some wildly comic moments and the witty repartee Baeli is known for, Rain Falls welcomes the return of one of its favorite citizens, family secrets are revealed, mysterious events are explained, and for some, karmic payback is at hand. No one is immune to the ways in which starting over and finding a place to belong, will intersect.
