John Albert Sleicher

Paris I Love You But You Re Bringing Me Down:

Paris, I Love You but You're Bringing Me Down Rosecrans Baldwin, 2012-04-24 A fresh exhilarating take on one of the world's most popular topics Paris the City of Light by an acclaimed novelist Rosecrans Baldwin A self-described Francophile since the age of nine Rosecrans Baldwin had always dreamed of living in France So when an offer presented itself to work at a Parisian ad agency he couldn't turn it down even though he had no experience in advertising and even though he hardly spoke French But the Paris that Rosecrans and his wife Rachel arrived in wasn't the romantic city he remembered and over the next eighteen months his dogged American optimism was put to the test at work where he wrote booklets on breastfeeding at home in the hub of a massive construction project and at every confusing dinner party in between A hilarious and refreshingly honest look at one of our most beloved cities Paris I Love You but You're Bringing Me Down is the story of a young man whose preconceptions are usurped by the oddities of a vigorous nervy metropolis which is just what he needs to fall in love with Paris a second time
